Terrible Picture of Suffering Clinton, Ky .- Mrs. M. C. McElroy, in a letter from Clinton, writes: "For six years, I was a sufferer from female troubles. I could not eat, and could not stand on my feet, without suffering great pain. Three of the best doctors in the state said I was in a critical condition, and going down hill. I lost hope. After using Cardul a week, I began to improve. Now I feel better than in six years." Fifty years of success, in actual practice, is positive proof that Carduf can always be relied on, for relieving female weakness and disease. Why not test it for yourself? Sold by all druggists.
