Even Children Can Operate it with Safety

The General Electric Radiant Toaster is such a simple device that even children can operate it with perfect safety. And this Toaster is as scientific as it is safe and simple. t makes scientific Toast because its radiant heat forces the absolutely necessary chemical change in the bread. This means Perfect Toast in any degree that pleases your individual taste—Toast as digestible as it is delicious.

Time required · less than two minutes. Cost per slice: one-tenth of a cent.

In addition to its utility and economy the General Electric Radiant Toaster is distinctly unique and ornamental. You can operate it anywhere in the house where there is an ordinary lighting socket; just attach the plug, turn the switch, and almost instantly the coils become radiant with a cheerful glow on the shining porcelain base.

After you have used the General Electric Radiant Toaster just one time you will follow thousands of others in saying, "why haven't I had this Toaster before?"
