## Largest Aeroplane In World

THE KUHNERT AEROPLANE.

The aeroplane owned by Frederick Kuhnert, of Hackensack, N. J., is said to be the largest one ever constructed. It weighs 1100 pounds and has a wide spreading canopy or parachute effect that, the owner asserts, will prevent the machine from overturning in the air, no matter what the weather. Once well in the air it is expected to float. It is provided with a six cylinder, 75 horsepower engine, of Mr. Kuhnert's design.

## MRS. ANDERSON LAID AT REST

Two automobile loads of flowers attesting the esteem in which she was held were carried to the grave of Mrs. Bert Anderson in Jacksonville cemetery Friday afternoon. The funeral services were held from the home, 906 West Main street, at 2:30 o'clock and was attended by a large number of friends and relatives. Impressive services were held directed by the Rev. L. F. Belknap, assisted by the Rev. W. F. Shields and the Rev. W. T. Matlock. A quartet from the M. E. church choir and Mrs. Ed Andrews rendered the music. The pallbearers were H. A. Thieroff, S. L. Leonard, W. G. Aldenhagen, W. C. Green, W. I. Vawter and M. Alford.

## GRANTS PASS PLAYS LOCAL BOYS TODAY

The Grants Pass pill tossers otherwise known as ball players, will alight on Medford soil Sunday morning accompanied by three-score fans, each with a return ticket in the pocket of his Sunday jeans. Court Hall's team has been practicing regularly this week and there is speed and team work in evidence where there was nothing at the beginning of the season. The line-up has been changed slightly and the batting list shows a continuous string of heavy hitters without the usual weakling squeezed in. It will be "some game" as Medford is bound to come out on top of the scramble and Grants Pass is just as determined to hold her down.

## DERRICK CAR TURNS TURTLE; ONE KILLED

MADRAS, Or., June 17.—One man was killed and two injured as a result of the overturning of a derrick car on the Harriman Deschutes railroad today. A. A. Payne of Seattle was struck across the chest by a piece of falling steel and died in a few minutes. Derrick Foreman Shipman was struck on the arm by falling timbers and Engineer N. J. Canon was cut on the temple.

The big boom had just picked up three steel girders. The steel carried the boom arm too far to one side and tipped the car over.

## SAVE THE HAIR.

Newbro's Herpicide Will Do It. No woman should have poor, thin, scraggy hair, and no man need become bald. Poor hair and final baldness are due to the dandruff germ. Newbro's Herpicide will destroy this little germ and stop the hair from falling. Further evidence of this is found in a letter from Mrs. F. Neilsen, of Tama, Wis. She says: "I fought the worst kind of dandruff for nine years. I have been using Herpicide now one week, and my scalp is healthy, the dandruff has gone and the itching has stopped. It is the best remedy for scalp diseases I ever saw, and I have seen many."

## Claims Self Defense.

ALBANY, N. Y., June 17.—That self defense was the motive that prompted the killing of Arthur Brown, first baseman of the Albany baseball team, is the assertion today of John V. McStea of Augusta, Ga., a theatrical manager. The grand jury today is probing the killing which occurred in Brown's room last night. McStea asserts he found Brown with his wife in the room, but that he did not fire until Brown struck him. The woman, whose stage name is Mildred Barry, has been detained in the house of refuge.

## NOTICE.

There will be a called meeting of the Greater Medford Club on Monday afternoon at the Natatorium to consider the building of a band stand. All are urged to be present. Remember the place and date.

## NOTICE.

Notice is hereby given that the undersigned will apply to the city council of the city of Medford, Oregon, at its next regular meeting on June 20, 1911, for a license to sell spirituous, vinous and malt liquors in quantities less than a gallon, at his place of business at No. 17 South Front street, in said city, for a period of six months.

O. M. SELSBY.  
Date of first publication, June 8, 1911.

## NOTICE.

There will be a business meeting of the H. S. Alumni association next Wednesday evening, June 21, at the high school, 8 p. m.

By the President.

## NATIONAL BANKS IN ROSEBURG MERGE

Two Big Financial Institutions Combined Have Deposits of Over \$1,000,000—Capital to Be From \$100,000 to \$150,000.

ROSEBURG, Or., June 17.—The biggest and most important banking deal ever consummated in southern Oregon was registered here today by the consolidation of the First National bank and the Douglas County National bank, of Roseburg, carrying aggregate deposits of over \$1,000,000. Thomas H. Sheridan, president of the First National bank since its establishment in 1890, joins the directorate under the merger, which will be under the name of the Douglas County National bank, with J. H. Booth as president.

The latter institution was established as a private bank in 1883, and is the oldest in the state outside of Portland, Salem and Albany. The capital stock of the new concern will be increased from \$100,000 to \$150,000. Some leading capitalists of Western Oregon are shareholders and officials.

**NOTICE.**  
Bids received by the Rogue River Fruit & Produce association for the erection of a warehouse at Phoenix. Plans and specifications at the office, 16 West Main street. Right to reject any or all bids reserved. 75  
ROGUE RIVER FRUIT & PRODUCE ASSOCIATION.

**NOTICE.**  
There will be spiritualistic services at Smith's hall on North Grape street at 11 a. m. Sunday. In the evening services at the home of Mrs. Plymale, at 301 South Central avenue.

## Medford Hardware Co.

Mr. J. J. Petty has recently assumed the management of the Medford Hardware Co. and will be glad to meet all friends and customers of this firm. Out of town orders will have our prompt and careful service. In soliciting your business we desire to draw your attention to the fact that the Medford Hardware Co. carries a very complete stock of merchandise in this line. Quality and price comparing favorably with any other concern in Southern Oregon.

**DO YOU KNOW?**

That NOW is the time to replace your old fence with a new one. That it will improve the appearance of your property fully FIFTY PER CENT if the fence is right and properly constructed.

**That The Page Wire Fence**

is best suited for the purpose, as it is made up of the best High Carbon Steel Wire that is found in fencing; in addition to this, it is the only fence which has the PAGE KNOT, and continuous cross wire to weave together, hence it

**Is The Best Fence**

that money can buy or modern science produce. Owing to each line wire being coiled before the fence is woven, Page Fence is easily erected over hills and through dales, without the necessity of cutting and splicing. It is

**MADE**

at Adrian, Mich., and shipped by us in carload lots, direct from the FACTORY TO THE CONSUMER, thus insuring the greatest value at the lowest possible price.

Let us show you why you should use Page Fence in preference to any other. We furnish, without charge, estimates on cost of fencing tracts, and contract to build fences complete.

We will figure with you on any amount of fencing, from one rod to a carload. If you are wanting Fence, Gates, or either yew or cedar posts, let us figure with you. We furnish man and tools and assist in the erection of Page Fence without extra cost.

MAIN OFFICE, 134 NORTH RIVERSIDE AVENUE, MEDFORD, ORE.

**Do Your Cooking in the Cool**

A hot kitchen is little better than a prison in summer. But the range is there, so all the cooking and the washing must be done there, too.

What a relief it would be to move the range where you pleased. You can do this with a New Perfection Oil Cook-stove—cook your dinner out on the porch, if you like. It is the only range that is really portable—that works equally well in any place. There are no connections to be made, as in a gas range; no wiring, as with an electric stove; no sooty flues and ash-filled grates, as with coal or wood.

The long, enameled chimneys carry the heat directly up to saucers, oven or boiler; you get full value from your fuel, without waste.

Made with 1, 2 and 3 burners, with long, torquose blue enameled chimneys. Hasironsomey finished throughout. The 2- and 3-burner stoves can be had with or without a cabinet top, which is fitted with drop shelves, towel racks, etc.

Deslery everywhere or write for descriptive circular to the nearest agency of the
