NEWBRO'S HERPICIDE

Is Guaranteed by Medford Pharmacy Special Agents.

Nearly everyone has dandruff, and must reconcile themselves to the idea of becoming completely bald or resort to the use of Newbro's Herpicide.

The manufacturers have absolute faith in Herpicide to kill the germ and remove all traces of dandruff. So perfect is this belief that all dealers are instructed to sell the preparation with a "money back" agreement.

Such supreme confidence is the best evidence in the world of the merit of Herpicide. They know the result, hence the guarantee. It protects the purchaser.

Used as directed, Newbro's Herpicide kills the germ that causes dandruff and prevents the hair from coming out. It stops itching of the scalp, which is so disagreeable.

Send 10c in postage or silver for sample and booklet to The Herpicide Co., Dept. R., Detroit, Mich.

Herpicide is for sale by all druggists, and applications may be obtained at good barber shops.
