DOUBLE BLAMED IN COLT DIVORCE

Ethel Barrymore's Tempest in a Teapot Caused by Husband's Double Who Gaily Cavorted Around Broadway.

NEW YORK, July 14.—Belief by Ethel Barrymore that her husband, Russell G. Colt, is a humdrum working man, and that he has a naughty, naughty "double," who has bred discord by bustling gaily along gay Broadway, is stated here today to have reduced the threatened Barrymore divorce action to the dimensions of a teapot.

Information of Miss Barrymore's change of heart was given out by Thomas Garrity, her attorney. He said that the actress has started no suit for divorce, and now that hubby's fame is cleared by the discovery of the "double," none will be commenced.

Garrity said that women who have seen Colt's "double," disport himself along the Great White Way wrote and stirred up Miss Barrymore's doubts. A reconciliation when the actress returns here in August, he said, is sure.

LOCAL RECEIPTS 4TH IN STATE

Medford's Postoffice is Rapidly Overhauling Eugene—Salem Boasts of Postal Business Due to State Business.

Medford postal receipts are the state of Oregon, Portland being first, Salem second and Eugene third. This year Medford, if she keeps up her present rate will pass Eugene and capture third place.

During the year ending June 30, 1911, Medford's receipts were \$32,900. Eugene's were \$36,592. Salem boasts of having done a business amounting to \$64,030.

In the ratio of increase Medford is first in the state. On year ago here receipts were only \$22,000 while Eugene was \$32,000. While Eugene was increasing \$4500 Medford receipts gained \$10,000. So if this ratio is continued Medford will soon capture third place.

Salem is not entitled to second place by virtue of her business. A session of the state legislature, an election and the initiative and referendum pamphlets all helped to aid her increase her receipts.
