### WEALTH OF HAIR

Chas. Strang has the Preparation that grows Hair, stops Dandruff and Makes Hair Gloriously Radiant.

Money back says Chas. Strang if Parisian Sage doesn't eradicate all dandruff, stop spitting hair, falling hair and scalp itch, and put life and lustre into the hair of any man, woman or child.

And Parisian Sage is so pleasant and refreshing. No cheap perfume odor to carry around all day, no disagreeable concoction that disgusts the senses, but a daintily perfumed tonic that proves its goodness the first time you use it.

Baldness and faded hair are both caused by dandruff germs. Parisian Sage kills the germs and causes the hair to grow abundantly.

### DALTON ASKS FOR NEW TRIAL

OAKLAND, Cal., July 18.—Counsel for Henry P. Dalton, who was to have been sentenced today for having accepted a \$5,000 bribe from the Spring Valley Water Company, secured from Superior Judge Brown a stay of execution until Monday, when a plea for a new trial will be heard.

Attorney Charles H. Fairall, in Dalton's behalf, filed his appeal for a new trial today, based on alleged technicalities, among which is the claim that when District Attorney Donahue was testifying on the witness stand he told the jury that Judge William Ellsworth of Oakland had told him that he believed Dalton was guilty of a similar crime, for which he was tried several years ago, the jury disagreeing. The court ordered Donahue's statement stricken out, but Fairall claims that it made an impression, never-the-less, on the minds of the jury.
