WHAT SAVED HER LIFE

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night.

The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardui.

Now, I am entirely well. I am sure Cardui saved my life. I will never be without Cardui in my home. I recommend it to my friends."

For fifty years, Cardui has been relieving pain and distress caused by womanly trouble. It will surely help you. It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.

If you suffer from any symptoms of womanly trouble, take Cardui. Your druggist sells and recommends it. Get a bottle from him today.

MANY SPEEDERS ARE CHECKED

City Makes Score of Arrests but Offenders Are Allowed to Go With Simple Warning—Next Time It Will Go Harder With Them.

The campaign recently started by the city authorities to strictly enforce the automobile ordinance in the city is having much effect. To date a score of drivers have been stopped and ordered to appear before Mayor Canon. As they are for the most part first offenders, they have been allowed to go with the warning not to exceed the speed limit again.

It was fast growing to be the custom of a number of automobilists to observe the law on Seventh street, but to speed up on the residence streets of the city, where there was little danger of an accident. For this reason the authorities started on the present campaign.

DUDLEY TALKS ON PEDAGOGY

Punctuates His Tour of Coast Cities With Talks On Proper School Training—Ablly Assisted by John Hall McKay.

Howard S. Dudley and John Hall McKay returned Sunday evening from a tour of Oregon coast counties. A most delightful outing is reported although a portion of the trip was pioneering of the roughest kind. They went to Crescent City from Medford from there to Coos Bay then to Roseburg and home.

Mr. Dudley, ably assisted by Mr. McKay, did not waste his time while away, but devoted it to an uplift movement among the rural schools. Mr. Dudley delivered a number of addresses on pedagogy interspersed with glowing descriptions of the effect of motoring over mountain roads on one's vocabulary. Mr. Dudley sketched his own career, and so states McKay, was roundly applauded by the appreciative, bare foot auditors when he told of his early struggles to secure an education.
