

DIPLOMATS TO CHANGE PLACES

Sweeping Changes in Service Abroad Made—Practically Every Important Station Except That of England is Affected.

WASHINGTON, D. C., Aug. 9.—Sweeping changes in the diplomatic service which have been reported as contemplated for some time were effected today when nominations affecting practically every important station except that at the court of St. James were sent to the senate except that at the court of St. James were sent to the senate.

The shake-up comes as a result of the resignation of Dr. David Jacob Hill, ambassador to Germany, John G. A. Leishman, present ambassador to Italy has been chosen to fill the post, and wholesale transfers in the diplomatic service are listed in order to bring this about. Leishman's nomination to the German post headed the list today.

Next in importance is the transfer of Thomas J. O'Brien, now ambassador to Japan to take the place vacated by Leishman.

Charles Page Bryan, minister to Belgium, is promoted to the rank of ambassador by the nominations, and is slated to succeed O'Brien at Tokyo.

C. H. Anderson, attached to the embassy at London will become minister to Belgium. John R. Carter, minister to Roumania, Serbia and Bulgaria, will become minister to the Argentine Republic. John B. Jackson, minister to Cuba, succeeds him as minister to the Balkan states.

Arthur M. Beaupre, minister to The Netherlands, is assigned to Cuba. Lloyd Bryce of New York is nominated to The Netherlands legation. Bryce was formerly a congressman and is the only man among the appointees not now in the diplomatic service. He was formerly editor and owner of the North American Review and achieved distinction in the literary world by critical and political writings. Bryce is known as a deep student of international politics. He served in congress from 1887 to 1889 being elected as a democrat.

EUGENE PRIESTS TO COME HERE

Fathers O'Farrell and Curley Transferred to Medford—Change Comes as a Surprise to Eugene Members of Church.

EUGENE, Aug. 9.—As the result of an order from Archbishop Christie in Portland, Father J. M. O'Farrell, rector of the Catholic church in Eugene, and his assistant, Father B. Curley, have been transferred from Eugene to Medford where they will assume the duties left by Father Van Clarenbeck, who has been transferred to St. Paul, Or. The change has come much as a surprise to the members of the Catholic church here and is a source of great regret, for both priests are very popular here. Their successors have not yet been named.

The change will take place this week but it is probable that either Father O'Farrell or Father Curley will remain until next Sunday, the other having charge of the services at Medford. By the following week the permanent Eugene pastor will have been appointed.

Father O'Farrell and Father Curley go to a larger field at Medford in that a new \$150,000 hospital has been constructed there, which will be under their charge in addition to a good church with a large academy.

Father O'Farrell has been in Eugene for the past several years and has been instrumental in more than doubling the membership of the local church, besides erecting a handsome temple of worship and strengthening the work in all departments. His assistant, while not having lived here as long, has endeared himself to the members of the congregation and has been a great help to the regular pastor. Eugene people generally will regret to see these two earnest and devoted workers leave the city.

THIS LADY'S GOOD APPETITE

Mrs. Hansen, in a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble.

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui.

Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

N. B.—Write for Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment of Women," sent in plain wrapper, on request.

THREE KILLED BY STARVATION

Patients of Fast Cure Female Specialists Dropped Off in Alarming Numbers, According to Death Certificates of Physicians.

SEATTLE, Aug. 9.—In connection with the arrest of Dr. Hazzard, who is charged with causing the death of Miss Claire Williamson by her system of fasting, an examination of the mortuary records of King County show that three persons who died while under Mrs. Hazzard's care were victims of "starvation" according to the death certificates issued by different physicians. These were:

Mrs. Viola F. Heaton, died May 10, 1905. Death certificate signed by Ashley Palmer; Mrs. Blanche B. Tindall, died June 18, 1909, death certificate signed by Charles S. Ford, M. D.; Earl E. Adman died March 25, 1910, death certificate signed by J. C. Snyder. Five other patients are shown to have died while undergoing the fasting process prescribed by Dr. Hazzard, but their deaths were attributed to different diseases by the woman physician, who herself signed the death certificate in each case.
