NEW PETITION MUST BE MADE

Residents of North Ivy Street Present Novel Request to City Council Which is Turned Down—To Prepare New One.

The residents of North Ivy street who desire street paving in front of their homes, presented a novel petition to the city council Tuesday evening, which was turned down by the councilmen with instructions to prepare a new one, if a majority of the residents on the street desire paving.

A petition for paving North Ivy was knocked out by protests at a previous meeting of the council and those who desired paving took this method in getting around the objection.

Medford, Ore., Aug. 9, 1911.—This is to certify that about November my daughter was taken with a severe attack of rheumatism which rendered her left arm useless, in fact it was so near paralyzed that she was not able to move her fingers, but knowing of some of Dr. Chow Young's marvelous cures of long standing cases of rheumatism, we decided to consult him, in which I am pleased to say made no mistake, as his remedies acted as he claimed they would and after the third treatment the rheumatic pain entirely left her and she has not had any symptoms of rheumatism since; besides her general health is much improved and I do not hesitate in saying I believe those afflicted with rheumatism or paralysis will do well to consult Dr. Chow Young, whose house is corner of Tenth and Front street, Medford, Oregon. A. P. WRISSE, 134 Haskins for Health.
