"HAVOC" BEST PLAY OF YEAR

Opening Performance of Theatrical Year Made Hit of the Season—Sketch of Play Founded Upon Shaw's Philosophy.

(By Ed Andrews.) Of all the new plays of consequence produced last season, "The Havoc" has been awarded first place by the show-going public as well as the critics.

Manager McCallum has made a wise choice in selecting this play for the opening bill of the coming dramatic season.

"The Havoc" is built upon new and somewhat original lines. It is something of a protest or satire on Bernard Shaw's marital philosophy.

When the husband in this play discovers that his wife has transferred her affections to a disciple of the new "affinity" school, instead of going after the lovers with the old time six-shooter, he mildly and quietly proposes to change places with the young man who has won his wife's affections, and remain a friend and inmate of the house, exactly as the other had been.

This is agreed to by all concerned. The husband and wife are divorced, and the lovers are wed. For a time everything runs smoothly; but the new husband not being so successful, either socially or financially, the wife finally turns to the husband for advice, and they become close friends.

The new husband becomes jealous, and instead of standing by his old philosophy, he becomes the oldtime jealous husband. On this plot is worked out a most interesting play. It answers the question of the hour, and also teaches a moral.

Of course, a play with the delicate finesse of "The Havoc" would be crude in the hands of an unskilled actor. Henry Miller makes it a work of art. He is in a class with Wilton Lackaye and a very few others. There are thousands of men and women on the stage, but there are very few real artists and Henry Miller is one of the few.

We have much to look forward to in the coming theatrical season. Manager McCallum has made the theater much more comfortable than it has ever been before, and has a class of attractions booked, selected from the best that visit the Pacific coast.

Seat Sale Opens. The seat sale for Henry Miller opened today for the production of "The Havoc" at the opera house September 1, and the way the tickets are selling give promise of a crowded house for the first show of the new season.

Henry Miller, playing the leading role, is known to many of the local theatre goers and they are boosting hard for the play.

POTENTATE OF SHRINE COMING

John F. Treat of Fargo Writes That He Will Visit in This City Next Month—He is the Leader of All Shriners.

J. F. Treat of Fargo, N. D., imperial potentate of the nobles of the Mystic Shrine for North America is to visit Medford next month. Mr. Treat will be in this city and Ashland from September 24 to 27. He is on a visit to all of the temples in the west which includes Hillah temple at Ashland but he will spend a few days here visiting with friends. The word of his visit was received in this city in a letter written to A. L. Loomis of this city who is an old time friend of the leading noble of the shrine.

The Ashland shrine is planning a pilgrimage to Medford about that time of the month and arrangements will probably be made to have Mr. Treat here at that time. The presence of the imperial potentate would add much attractiveness to the ceremonies and would cause a greater number of visiting shriners to come from other sections of the state.

Mr. Treat has a large number of personal friends in this city as the North Dakota colony is large, many of them being from Fargo, which is Mr. Treat's home.

AULD—COWLES AFFAIR.

GEORGE PERCIVAL AULD, USN

MRS. GEORGE P. AULD

President Taft has under consideration the case of Passed Assistant Surgeon A. H. Robnett, U. S. N., who with Paymaster George P. Auld was tried by court martial early last year following a dispute with Dr. E. S. Cowles, cousin of Rear Admiral Cowles, retired, at a navy hop held at Charlestown, Mass., December 11, 1909. Dr. Robnett lost two numbers as a result of the court martial proceedings. It is contended by Dr. Robnett's supporters that the trouble at the navy hop was between Paymaster Auld and Dr. Cowles and in no way reflected on Dr. Robnett.

GERM, NOT FLSH OF FISH POISONS DOGS

PORTLAND, Or., Aug. 26.—The state board of health today announced that Professor Emile Pernot has discovered that a germ and not the flesh of salmon poisons dogs after they have eaten the fish. This explodes the aged theory that fish was poisonous to them.

According to Professor Pernot, bacteria called amoeba is found in the blood of salmon after they have been in fresh water some time and that they are responsible for the canine deaths. Two grain doses of calomel is given as the remedy for dogs so poisoned.

BOARDMAN TRIAL ON NEXT MONDAY

Absence of District Attorney Causes Postponement—Man Appeared Friday Afternoon but Case Was Continued.

E. B. Boardman will be placed on trial in the justice court in this city next Monday afternoon on charges of setting forest fires brought by E. J. Lewis, special agent for the state board of forestry. The case would have been heard Friday afternoon but the absence of District Attorney Mulkey, who was called away by the death of his wife's father, caused a postponement.

Mr. Boardman denies that he had anything to do with the setting of fires in the holdings of the Crater Lake Lumber company or elsewhere. When confronted with the evidence said to have been secured from John Cook and his son, Boardman explained that it was merely a case of petty revenge. Boardman has retained Gus Newberry and is confident of being acquitted. He says that the charges are entirely false and that he can prove it.

KEEP YOUR HAIR FREE FROM DUST

(From Woman's National Magazine) "One expects to return from summer excursion, outing picnic or long trolley ride in a more or less disheveled state. When a girl is so tired, she does not feel like washing her head before retiring—nor does she care to go to sleep with dusty hair.

"Why not use a dry shampoo, and escape all the bother and trouble that accompany washing the hair. Just mix four ounces of therox with four ounces of powdered orris root. Sprinkle a tablespoonful of this mixture thickly upon the head; then brush the powder thoroughly through the hair. This treatment is quick and easy, but it takes out all dirt and dust and leaves the scalp clean and comfortable.

"Therox keeps the hair light and fluffy, and beautifully lustrous. Brush your head two or three times a week with this mixture and it will make your hair fine, long and glossy, for it stimulates its growth."

Medford, Ore., Aug. 9, 1911.—This is to certify that about November my daughter was taken with a severe attack of rheumatism which rendered her left arm useless, in fact it was so near paralyzed that she was not able to move her fingers, but knowing of some of Dr. Chow Young's marvelous cures of long standing cases of rheumatism, we decided to consult him, in which I am pleased to say made no mistake, as his remedies acted as he claimed they would and after the third treatment the rheumatic pain entirely left her and she has not had any symptoms of rheumatism since; besides her general health is much improved and I do not hesitate in saying I believe those afflicted with rheumatism or paralysis will do well to consult Dr. Chow Young, whose house is corner of Tenth and Front streets, Medford, Oregon. Red Faced Men smoking BIG CIGARS talking "HOT AIR" don't always live on air, hence our remarks on charges.

The clap-trap about private sale does not prove remunerative, except for some curious of a small nature. All sellers by private sale have to wait until auctions are over so as to know what to ask, and in the case of large supplies they often get left.
