GOLD HILL ITEMS.

(The News.) Missen Cordie and Annalee Higgins of Kansas City, Mo., who have been visiting their aunt, Mrs. T. W. Ray, this summer, left Wednesday for Los Angeles, where they expect to spend the winter.

Dr. J. C. Jones and wife returned from an outing in the Galls creek district Monday. They were not so fortunate as to kill a deer, but the outdoor life gave them such appetites that bacon tasted almost as good as venison.

One of Marshal Hutson's chimneys burned out Tuesday evening. He kept the roof wet with the garden hose, and let it burn. No damage was done, and the next chimney sweep that comes this way will have one less chimney to clean.

Creditors of the Gold Hill Railroad & Lumber company have been notified that F. P. Russell of Portland has been appointed trustee to wind up the affairs of the concern, which means to turn whatever assets there are into cash and make a pro rata distribution of the same among the said creditors.

The useful crow, who destroys myriads of orchard and garden pests in his quest for food, may turn pest himself when the bug supply fails. About \$50 worth of fine watermelons, which would have been marketed in a few days, were destroyed Monday by a flock of crows at H. B. Noy's Riverside farm.

That the main street of Gold Hill will be a part of the projected Pacific highway from San Diego to Vancouver B. C., was the assurance given Dr. Kelsey by Judge Nell at Jacksonville Wednesday. The judge is acquainted with the plans for the great turnpike and is enthusiastic over the prospect of its being built.

Mr. and Mrs. George Lyman are both ill with malaria. Mr. and Mrs. H. E. Redding are comfortably domiciled at the residence of Grandma Griffith.

Mrs. Grace Himmel, nee Ryan, of Myrtle Creek is ill at the home of W. H. Harvey.

F. W. Dodge has been appointed city engineer of Woodville.

James Smith has just completed a hay barn on his Sardine creek ranch that is 32x60 feet and 22 feet high. It is being filled with part of his alfalfa crop.

Mrs. Rex H. Lampman and baby daughter returned yesterday from a three months' visit with her parents, Mr. and Mrs. M. T. Howard, at Rice en route for brief visits with friends in Portland, Salt Lake City, Denver and Minneapolis.

With six deer as a record of their prowess with the rifle, the Sticker brothers are back from a two weeks' hunt on upper Evans creek. The party consisted of W. L. J. V. H. L. E. C. and George Sticker, the last named a son of E. C. Sticker, late of Lakewick.

The Southern Oregon Old Soldiers' and Sailors' association will hold its annual reunion at Woodville, September 11-15. The people of Gold Hill had the pleasure of entertaining the veterans last year and became so well acquainted that many besides the local members of the association will probably attend from here.

R. E. Smith's mules ran off the grade while he was driving out to the Riverside orchard Sunday night. The two-seated hack, containing Mr. and Mrs. Smith, Misses Ethel and Vera Smith and Hattie Hodges, was turned completely over, throwing the occupants down a steep bank. Miss Ethel sustained a badly blackened eye, but aside from a few scratches and bruises the others were uninjured.

The Cause of Eczema

is germ life that burrows under and feeds on the skin. The way to cure ECZEMA is to remove the cause by washing away with a clean, penetrating liquid, the germ life and poisons that cause the trouble. We have a preparation that will do this. The first application will stop the itching and give prompt relief to an irritated, itching or inflamed skin. If you are a sufferer from skin or scalp eruption in any form, try one bottle of ZEMO, the clean, scientific preparation. We are confident you will be pleased with the results from the use of this standard preparation for eczema. Good for infants as well as grown persons. Haskins Drug Store.

Medford, Ore., Aug. 9, 1911.—This is to certify that about November my daughter was taken with a severe attack of rheumatism which rendered her left arm useless, in fact it was so near paralyzed that she was not able to move her fingers, but knowing of some of Dr. Chow Young's marvelous cures of long standing cases of rheumatism, we decided to consult him, in which I am pleased to say made no mistake, as his remedies acted as he claimed they would and after the third treatment the rheumatic pain entirely left her and she has not had any symptoms of rheumatism since; besides her general health is much improved and I do not hesitate in saying I believe those afflicted with rheumatism or paralysis will do well to consult Dr. Chow Young, whose house is corner of Tenth and Front streets, Medford, Oregon.
