

BEULAH BINFORD TO GO ON STAGE

Vaudeville Manager Makes Woman in Beattie Case Attractive Offer—Paul Beattie Delighted at Being Turned Lose.

CHESTERFIELD COURTHOUSE, Va., Sept. 7.—Immediately upon receipt here of Judge Watson's order releasing him from jail, Paul Beattie, cousin of Henry Clay Beattie, Jr., who is on trial for wife murder, left the jail.

Beulah Binford, however, remained in her cell, awaiting a visit by a vaudeville booking agent from New York, who has offered her a large salary to make a tour of the country in a little skit based on the Beattie case. She hopes to start for New York this afternoon.

Paul Beattie, overjoyed with freedom, rushed home to his wife and baby.

Many women were in the courtroom today to hear the final arguments to the jury. Judge Watson told them there would be parts of the case that would be unfit for them to leave. They left.

The court then began reading instructions to the jury.

MOB SEARCHES FOR FUGITIVES

Six Hundred Citizens and Forty Officers Scouring Country About Los Angeles for Negro Who Shot Mrs. Melvina W. Hawkins.

LOS ANGELES, Sept. 7.—Enraged by the brutality of the crime, 40 officers, augmented by 600 citizens, all heavily armed, today are scouring the country south of Los Angeles for a negro who late yesterday shot and killed Mrs. Melvina Hawkins. Under Sheriff Robert Brain is in charge of the deputies from the local sheriff's office and other officers and citizens are led by the chiefs of police of Compton, Gardena and Watts.

Every male citizen of Compton, where the crime was committed, is engaged in the man hunt. Feeling against the assassin is running so high that it is doubtful if a lynching can be prevented if the negro is apprehended.

The most valuable clue yet received came before noon in a telegram from the chief of police of Santa Ana telling of the escape Tuesday from a Santa Ana constable of a negro arrested for a series of assaults upon white women. The negro broke away from the officers and escaped on a motorcycle. The murderer, after assaulting and killing Mrs. Hawkins, rode away on a motorcycle.

All property values depend upon the prosperity of the community. If our manufacturers are prospering, and the merchant likewise, the farmer will prosper, too. The persistent demand for goods "Made in Oregon" will help bring greater prosperity to the people of Oregon.

WOMAN AND SON FOUND KILLED

Believed That a Tramp Killed Daisy Wehrman and Babe in Lonely Ranch Cabin Near Scappoose—Signs of a Struggle.

SCAPPOOSE, Or., Sept. 7.—Believing that a tramp murdered Mrs. Daisy Wehrman, 35, and her 4-year-old son in their lonely cabin on a small ranch four miles from here, Sheriff Thompson of St. Helens today ordered his deputies to be on the lookout and arrest all suspicious characters.

The bodies of the woman and child were found, half nude, lying on a bed, by Mrs. G. S. Stercks of Scappoose, who peered into a window when she discovered that the door had been padlocked from the outside. The victims had been badly beaten, then shot. The disordered condition of the cabin indicated that there had been a severe struggle.

As near as can be ascertained, the murder occurred Sunday, probably at night.

Frank Wehrman, her husband, is employed in Portland as a baker. He was in the habit of visiting his home over Sunday. His work kept him in Portland during the week days. He spent Sunday at his home and reported for work Sunday evening. Wehrman has been notified of the double tragedy and is expected here today.

Salem, Ore. (Special)—Some ninety odd horses are now training on the Salem track for the Oregon State Fair meet and not a fast one owned in the Northwest is missing from the entry list. Secretary Frank Meredith says he looks for the track record to go by the boards at this meet because of the improvements made in the course. One of the big features is the steeplechase event in which, strange to say, most of the entries have come from women owners. It seems from this that the sticks are most in favor of the women of the Pacific Northwest. At least they seem to own more hurdlers than the men, if the entry lists are a guide of what the women of Oregon, Washington, Idaho, Montana and British Columbia have to offer for the sport of those who go to the Oregon State Fair this year. Reduced rates are in effect on all rail lines for this meet from September 11 to 16 inclusive.

CHICAGO, Ill.—Executive officers of the Illinois Central employees' federation are again in conference here today discussing the advisability of calling a strike.

PAISLEY, Cal.—Deputy sheriffs found 3200 bottles of beer in the basement of County School Superintendent Jackson, who is also a merchant. He is charged with having violated the prohibition ordinance.

SAN FRANCISCO.—Mrs. Bessie Yowery of Hot Springs, Ark., was ordered here from Seattle by Mark Tankel, believing that he killed a federal marshal. The police say Tankel's apartments were loaded with burglar tools.

TULSA, Okla.—At the age of 108, Jimmie Walker, an Indian, lost his leg in a railroad accident. He will live.

Look at the ads that offer employment and you'll find the right one soon.

Salem, Ore. (Special)—California has sent entries for exactly thirty-six horses in the meet to be held at the Oregon State Fair from September 11 to 16 inclusive. Washington has come to the front with seventeen entries and Oregon will have fifteen fast ones waiting for the word to go in the various events on the racing card. The race meet, always of importance at Salem, will not be the biggest thing on the program, as all the stock show events have been well filled and the list of entries in the dairy and poultry divisions have shown up well. And, as usual, the display of Oregon horses will surpass anything of previous years, including thoroughbreds, work horses, drivers, trotters, pacers and coaches. The poultry show will also be important. Reduced rates are in effect for the fair as usual.

BOZUS BAIL IS FIXED AT \$1500

Judge Kelly Ask Reduction in Bail of Man Accused of Attempted Bribery That He Might Aid in Brother's Defense.

Peter Bozus, accused of attempting to bribe District Attorney Mulkey in order to have the case against his brother, accused of murder, "thrown," appeared in the circuit court this morning and entered a plea of not guilty. He will be tried at the end of next week.

Following the entering of the plea, his attorney, Judge E. E. Kelly, asked the court for a reduction in the amount of bail fixed in the case, owing to the fact that he needed Bozus in preparing for the defense of the brother, accused of murder. After considering the matter, Judge Calkins reduced the bail from \$2000 to \$1500, which Bozus can give.

Peter Sapolis, the interpreter who is accused of attempted bribery also, entered a plea of not guilty.

BASEBALL WAR OFF; ASSOCIATION QUILTS

CHICAGO, Sept. 7.—Members and directors of the American Baseball association met here today and signed an agreement to withdraw their demands on the national commission, thus averting the expected big league baseball war. They further agreed to sign a contract with the national commission as was requested by its ultimatum.

We notice that some merchants in other cities are using considerable space advertising "Made in Oregon" goods. That is as it should be. The merchant must know that his individual prosperity is to a great extent dependent upon the prosperity of the state at large, and if Oregon manufacturers are patronized, that it will mean greater pay rolls, and greater pay rolls mean a larger degree of prosperity for every man, woman and child in Oregon.
