

CRITICS PRAISE STARLAND PLAY

Musical Comedy Here Friday Night Brings High Praise From Chicago Papers, Where It Ran An Entire Season To Big Houses.

On Friday evening at Medford Theatre the big Chicago musical comedy production "Miss Nobody from Starland" will be presented for the first time direct from the Princess theatre after an entire season's run in its entirety. The critics of the Chicago papers have been exceptionally good in their praise and have the following to say:

Percy Hammond in the Chicago Tribune says: "It is bright in color, rich in fabric, graceful in movement, melodious in score. A happier audience never attended a first night at the Princess."

Amy Leslie of the Chicago Daily News has the following to say: "The production must have cost a pretty round sum of dollars, golden cloth and jeweled storms, sumptuous little scenes and beautiful clothes dashingly shown forth, capture the eye continually."

O. L. Hall of the Chicago Journal says: "You may be sure there are tudy music and dizzy dances and swooning costumes and glittering scenery."

Charles W. Collins of the Chicago Inter Ocean says: "It is an opulent frolic of mirth and beauty. It is a show for the Peter Pan existing in all of us, when he starts out with a night with the boys."

"Gorgeous as to costuming and scenic effects," is what Frederic A. H. T. of the Chicago Post says.

James O'Donnell Bennett in the Chicago Record-Herald says: "The girls are pretty, the music is pretty, and that Cuban dance in the fourth scene as pretty a concert as has been devised in a long time."

KING GEORGE DURBAR MAKES HIM UNPOPULAR

LONDON, Sept. 13.—Nothing could have contributed more to the unpopularity of King George than his decision to hold the Durbar in India in connection with his coronation, despite the famine which is already spreading over India and which, because of the drought, is certain to grow infinitely worse.

The London newspapers, which usually hesitate to question any action of the king, frankly condemn him for insisting upon the big showing of which he is to be the central figure.

Illustrative of the general feeling in the mother country, the Morning Times says editorially that the king's representative has said in official language: "The Durbar, first and then if need be, the famine. What does it matter when the Durbar is over?"

The Leader comments: "Nothing more disastrous can well be imagined than an attempt to dazzle the eyes of the Indian population with a costly pageant, paid for by exactions from their penury and distress in the belief that by this means the prestige of the British empire in some mysterious way will be enhanced and maintained, though the hollow mockery of rejoicing is swiftly succeeded by a ghastly tragedy."

CHENG KIANG, Western China.—The uprising in the district of Cheng Tu is likely to lead to a rebellion that will require great force to quell. Soldiers in the district today refuse to obey the orders of the government and are trying to get possession of the railroads.

BRONCHITIS CONQUERED. Seventy Years Old and Praised Wonderful Hyomei.

"I had a severe attack of La Grippe. It left me with bronchitis and catarrh of my throat. I became quite deaf in one ear so I could not hear a watch tick. I commenced using your HYOMEI and in a few days I was able to breathe and soon got relief, and believe that it saved my life. I have recommended it to many. I am over seventy years old. I have told several prominent doctors what it did for me." Wm. H. Mowder, Washington, N. J., R. F. D. March 16, 1911. For catarrh, asthma, bronchitis, coughs, colds and catarrhal deafness HYOMEI is guaranteed by Chas. Strang. Complete outfit including inhaler and bottles HYOMEI \$1.00, separate bottles HYOMEI if afterwards needed, 50 cents.

MARKING LINE OF NEW ROAD

Pacific Highway Association Carrying On Three Separate Lines of Activity—Are Blazing Line Across Oregon.

Three separate lines of activity are at present marking the progress of the Pacific Highway, work on which is now urged with great vigor to prepare for the thousands of tourists who are expected to motor along the Pacific coast four years hence when they visit the Panama-Pacific Exposition at San Francisco.

The Flanders pathfinding party at present blazing a trail for the Pacific Highway Association and the British Columbia government from Seattle to Hazelton, B. C., within sixty miles of the Alaska boundary, is well into the wilds of the Canadian province now, and is expected to reach its destination by the end of the week.

The Association is urging upon the motorists of California the necessity of a definite route from the American border to the City of Mexico, and within the last two weeks has offered a gold medal for the first trail blazing party establishing a route to the capital of the southern republic that may be developed and made practical during the next four years.

Officials of the Association in Oregon, together with Secretary Frank M. Trotwell, having been working the entire present week in marking the highway through that state, from Portland to the California line, and it will soon be possible to travel from San Francisco to Vancouver, B. C., and find a guide post of the Pacific Highway at every turn of the road.

DO IT NOW

Medford People Should Not Wait Until It Is Too Late.

The appalling death-rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of dropsy, bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headache, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

Mrs. Grace Skeeters, 6 W. Jackson St., Medford, Ore., says: "I can recommend Doan's Kidney Pills, procured at Haskins' Drug Store, for pain and stiffness in the back and other symptoms of kidney trouble. This remedy relieved me when I used it and I have been well ever since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

FRANK GOULD'S FAMILY WAR

Refusal Of Relations To Give Actress Wife Social Recognition Precipitates Fued Of Reprisal In Wall Street.

NEW YORK, Sept. 13.—Because of an unpleasantness which took place at Georgetown Court on the occasion of a visit there by Frank Gould and his wife, according to a Wall Street story, Frank began a war of reprisal on the plans laid out by George Gould for the Missouri Pacific railroad. Now the warfare includes Edwin Gould.

The Gould family has steadfastly refused to receive Frank Gould's wife, formerly an actress. Wall Street is today filled with gossip over the fight Frank Gould is making for promises in the coming election of the St. Louis-Southwestern one of the best managed of the Gould properties, which has been under the direction of Edwin Gould.

HOW HUSBAND TAUGHT HIS WIFE TO ECONOMIZE

GREELEY, Colo., Sept. 13.—Jesse R. Harrison is but a mere man, but he is given full credit here today of inspiring his wife with the spirit of economy. Mrs. Harrison wanted to purchase an expensive rug. Harrison had different ideas about the matter but his wife was determined.

The clap-trap about private sale does not prove remunerative, except for some curios of a small nature. All sellers by private sale have to wait until auctions are over so as to know what to ask, and in the case of large supplies they often get left.
