Never Again Says Nat. LOS ANGELES, Cal., Sept. 20.—Reiterating his intention of never marrying again Nat Goodwin the much married comedian will leave Sunday for New York where he will complete arrangements for a tour of the southern states in a series of plays which, though old, have made him famous.

"No more wedding bells for mine," said Goodwin today. "Great Semott, haven't I had trouble enough in the matrimonial line?" Goodwin will have Miss Margaret Moreland for his leading woman.

AVOID DECEPTION Use Newbro's Herculide Instead. Wearing artificial hair is a harmless deceit of which many ladies are guilty. These women are all objects for sympathy rather than criticism.

Early neglect in the care of the scalp has caused the loss of so much hair that their personal appearance is sadly marred. To correct this defect they resort to artificial hair.

Most ladies would resent any imputation of personal carelessness and neglect. And yet very many women permit their natural hair to become so dull, brittle and lusterless that it looks no better than the artificial.

All this is so unfortunate as it is unnecessary. Hair that is unsightly or thin may usually be attributed to the malevolent activity of the dandruff germ. This vicious germ burrows down into the hair follicle, shortly destroying its life. The hair becomes dead, loose and finally drops out.

There is a remedy sold by all druggists, the intelligent use of which will kill the dandruff germ. It also cleanses the scalp of all accumulations and makes the hair shine with the luster of life and beauty.

That remedy is Newbro's Herculide the Original Dandruff Germ Destroyer. This preparation in one dollar size bottles is sold and guaranteed everywhere.

Applications may be obtained at the best barber shops and hair dressing parlors.

The Herculide Co., Dept. R., Detroit, Mich., will send a nice sample and booklet to any address upon receipt of 10c in postage or silver.

Red Faced Men smoking BIG CIGARS talking "HOT AIR" don't always live on air, hence our remarks on charges.

The clap-trap about private sale does not prove remunerative, except for some curios of a small nature. All sellers by private sale have to wait until auctions are over so as to know what to ask, and in the case of large supplies they often get left.
