CHICAGO, Ill.—Referendum vote on the question of forming a new labor party, submitted by the Illinois Federation of Labor is overwhelmingly against a new political organization. THE HERPICIDE GIRL KNOWS

While shopping the most annoying thing for me is to have someone try to sell me something "just as good" when I ask for Newbro's Herpicide. To be sure there are not many druggists who do this, but what few there are should know that such a policy will destroy the customer's confidence. When they try it on me I never wait for the story, simply hunt a store where they will sell me what I want.

It is absurd for anyone to say that a preparation is as good as Herpicide. I don't think they believe it themselves. Every druggist knows that there is but one genuine, original dandruff germ destroyer and that is Newbro's Herpicide.

It keeps the head free from dandruff, prevents the hair from coming out and stops itching of the scalp.

Herpicide is really a wonderful remedy which does just what you want and expect it to do.

One dollar size bottles are guaranteed. Sold by all druggists. Applications at good barber shops.

Send 10c in postage for a sample to The Herpicide Co., Dept. R., Detroit, Mich.

SAN FRANCISCO, Cal.—The unidentified corpse of a woman found high on the beach Friday, is occupying attention of the detectives, who fear that there may have been foul play. The body, which was dressed and appeared to be that of a woman in good circumstances about 45 years of age. In the hair was a plain tortoise shell pin, and on the breast a pin of unique design. Wound about two gold cornucopias placed on a gold leaf was woven hair, tied in the center with a lover's knot.
