Mrs. J. H. Baussum, Central avenue, Medford, Oregon, says: "I was so bad with kidney trouble that I could not do my housework. My back was weak and painful and in the morning when I got up I was lame and sore. The kidney secretions were unnatural and my health steadily ran down until I was hardly able to get about. While in that condition I read about Doan's Kidney Pills and got a box at Haskins' drug store. I felt better from the time I commenced their use and it was not long before I was cured. I am in a position to recommend Doan's Kidney Pills highly to anyone afflicted with kidney complaint." (Statement given Sept. 14, 1907.)

A Permanent Cure.

When Mrs. Baussum was interviewed on Oct. 26, 1909, she said: "My former endorsement of Doan's Kidney Pills still holds good. Since this remedy cured me I have had no further attacks of kidney complaint and I have enjoyed good health."
