The press and the public of Paris, Berlin, New York, Chicago, Boston and other cities where "The Girl in the Taxi" has been presented, are unanimous in acclaiming it as the

greatest laugh-producing entertainment ever devised for the delight of theatre-goers who go to the playhouse to be amused. The long runs which "The Girl in the Taxi" has

scored in these large and discerning amusement centers are infallible endorsements of the play's powers to delight the spectators. The Boston Globe said: "The Girl in the Taxi" is one of

swept across in gales completely the merriest shows that ever set the Tremont theatre rocking with laughter. The house was packed to the last inch of standing room and at very short intervals roars of merriment

stopping the dialogue at times." "The Girl in the Taxi" will be seen at the Medford opera house for an engagement of one night, Sept. 27th.
