Medford is to have a thoroughly modern dancing school. Its courses will include social and aesthetic dancing and physical culture and the teacher is to be Mrs. J. W. M. Mac-Clatchie, who has had nine years' experience in these lines at Minneap-

On Saturday morning, Sept. 30, the new school will open at the Episcopal hall on Main street, with a class in nesthetic dancing for girls from 6 to 13 years of age. The ob- ty rec ject of this series is to give grace and polse to the students and also to give them a certain amount of City physical culture without the strain of gymnssium work. In the after- ty recor on from 2 to 4 o'clock there will be a class for the older girls along similar lines.

On Tuesday mornings from 11:30 to 1 p. m. the class of aesthetic dancing for ladies will meet. These exercises are designed to reduce weight and to keep the participants

The social dancing feature will be important branch of the new school, On Friday evenings there will be classes for the older young people, and after the close of the football season a class for the high school boys and girls will meet on Friday afternoons. The latest social dances will be taught. Mrs. MacClatchie has had n'ne years' experience in Minneapolis under two of the best teachers. She has also had five years' experience in gymnasium work and is therefore exceptionally well qualified to take charge of line of work she is to start in Medford. All the classes will meet at the Episcopal half on Main street.
