EAGLE POINT EAGLETS.

(By A. G. Howlett.)

Since my last we have had all kinds of excitement in our usually quiet little village. The latter part of last week James Ringer, deputy marshal for the town, arrested Mr. Spiker, a contractor and builder, on the charge of using loud, boisterous, profane and obscene language on the streets of our town, and he was taken before our mayor, Hon. P. H. Daily, and deposited the necessary cash bond and the trial was fixed for last Wednesday afternoon before our recorder, Mr. McIntyre. Mr. Kelly of Medford was engaged by the defendant to attend to the case.

MADERO WANTS NEW ELECTION LAW

MEXICO CITY, Oct. 2.—"The election system in Mexico is all wrong," said Francisco I. Madero, newly elected president of Mexico, in a statement to the United Press today. "Even though Vice President Suarez and myself were elected by it, I intend to have the system and its secrecy abolished at once. My sentiments are akin to those of your insurgents. I am a progressive, not a conservative."

ANY WOMAN CAN HAVE BEAUTIFUL HAIR

(From French Beauty Monthly) "No woman should use water upon her hair oftener than once in two months," says M. Fournier, the noted French scientist. "Dry powder only should be used. Moisture causes the hair to lose its color and in time become thin. Any woman desiring abundant, lustrous hair should use a dry shampoo every two or three days. Mix four ounces of powdered orris root with four ounces of thorax. Sprinkle about a tablespoonful of this mixture upon the head; then brush the powder thoroughly through the hair. This will keep it light and fluffy, and beautifully lustrous. You will soon see new hair starting to grow. This treatment is the only thing that I am sure will produce a growth of hair. While plain orris root is used as a dry shampoo by many women, still no such results can be obtained as by using the formula I have given."
