TO GIVE LIFE AND BEAUTY TO THE HAIR

(From the London Hairdresser's Review.) "More dull, brittle, faded and falling hair results from too much washing the head than from any other cause. If you want to see your customer's hair grow in beauty and color, and brilliance and luxuriance, stop drenching and rinsing it and depend upon dry shampooing. "Dry shampooing once a week will bring about wonders. Hard and scaly scalps become soft and pliable, will take on new life become soft and glossy and the natural color will return. "To make a shampoo powder mix four ounces of oris root with four ounces of therax. Sprinkle a tablespoonful over the head and brush thoroughly through the hair. Don't spare the brushing. The treatment tones up the hair from root to tip, removes dust, dandruff and excess oil, leaves the scalp clean, cool and refreshed and the hair rich, soft and silky."

THEROX FOR SALE BY HASKINS' DRUG STORE

Medford Ore., Aug. 9, 1911.—This is to certify that about November my daughter was taken with a severe attack of rheumatism which rendered her left arm useless, in fact it was so near paralysis that she was not able to move her fingers, but knowing of some of Dr. Chow Young's marvelous cures of long standing cases of rheumatism, we decided to consult him, in which I am pleased to say made no mistake, as his remedies acted as he claimed they would and after the third treatment the rheumatic pain entirely left her, and she has not had any symptoms of rheumatism since; besides her general health is much improved and I do not hesitate in saying I believe those afflicted with rheumatism or paralysis will do well to consult Dr. Chow Young, whose house is corner of Tenth and Front streets, Medford, Oregon.
