Our Showing of Fall Merchandise

IS WORTHY OF YOUR CONSIDERATION

All lines are most temptingly priced. We say without fear of contradiction that we have the most varied, most authentic showing of ready-to-wear garments and millinery, as complete as you will find in most city stores, and, for the quality of merchandise, at a little less than you have been in the habit of paying.

TAILORED SUITS

Constant arrivals in Fall and Winter Suits reveal fashion's newest developments in plain and demitailored models. The favored materials are men's wear serges, tweeds and velvets, modestly priced \$15.00 to \$65.00

Har, lly a day passes but what there is something

LONG COATS--Still They Come new added to the showing of Long Coats, although the stock is now at its best. Children's Coats, Misses, Juniors, Ladies' and stouts all most temptingly priced.

NEW DRESSES

Many new Dresses have been added to our already complete showing, Velvet, Corduroy and Serges, Black Satin, Duchess and Messaline, etc.

NEW FALL MILLINERY

IN ALL ITS SPLENDOR

Competition will have it that Ahrens only handles ready to wear Hats, which many of you know is not true. We are prepared to turn out anything you may desire, as our trimmer, Mrs. Starr, spent fully two months this summer in the markets studying Fall styles, and as to materials and trimmings there is no more select line shown. Try us on your next dress hat; it will be to your saving and satisfaction.
