Many a Medford Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Medford readers.

Mrs. J. Waterman of Phoenix, Or., says: "I have no hesitation in recommending Doan's Kidney Pills, as I have had ample proof of their efficiency. Over-exertion or being on my feet for any length of time, caused my back to ache and sent sharp pains through my loins. Frequent headaches and spells of dizziness also bothered me. I knew that my kidneys were at fault and, hearing Doan's Kidney Pills highly recommended, I procured a supply. I began their use and they relieved the difficulties which had so long distressed me."
