Country Home No matter how far you live from the city, you can have all the sanitary conveniences of the best city water works system-an abundance of water, under strong pressure, for your bathroom, kitchen, laundry, lawn, garden anywhere. Good fire protection too. This splendid water supply service assured,

if you install the/

Kewanee System of Water Supply

The Kewanee Tank is located in the cellar or buried in the ground and the water is delivered by air-pressure. No elevated or attic tank to leak, freeze, overflow or collapse. The tank is made of steel plates and will last almost indefinitely.

We build the finest line of pumping machinery-the result of over ten years experimenting and practical experience, Kewanee pumps are operated by hand, gasoline engines, elec-tric motors, etc. Kewanee Systems are complete. They are easy to install. Every plant sent out under a positive guarantee. Over 10,000 Kewanee Systems in successful operation. No charge for engineering service. Ask for complete Kewanee catalog.
