SAVE YOURSELF.

There is No Reason Why You Should Always Be a Slave.

If you are desirous of saving yourself or a friend from a drunkard's grave you cannot afford to overlook the opportunity offered at the Hot Lake Sanatorium for the cure of the liquor and drug habit. Hot Lake mineral baths prepare the body for the treatment and then soothe the nerves and actually remove the desire for the liquor or drug. Hundreds of happy homes in Oregon and Washington today bear witness to the efficiency of the Hot Lake treatment. One week will in most cases effect a cure. Sometimes longer is required, but not often. The best of care is given the patients. For full information address Hot Lake Sanatorium, Hot Lake, Oregon. Waiter M. Pierce, president and manager.

THIS LADY'S GOOD APPETITE

Mrs. Hansen, in a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble.

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui.

Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

N. B.—Write for Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment of Women," sent in plain wrapper, on request.

LA GRANDE, Ore., Nov. 1.—One thousand dollars which was raised to aid in the Chinese rebellion will be here last night among members of the revolutionary head-

quarters in San Francisco. Practically everyone of the 150 Chinese living here attended the "feast of rebellion" as it was called. None wore queues. Haskins for Health.
