

The Only Difference Between Edison and Mutt Is That Edison's Inventions Work - By "Bud" Fisher

WOODVILLE ITEMS.

Mrs. C. E. Smith and Mrs. W. H. Gorham were shopping in Grants Pass last Monday.

Mrs. C. G. Seaman has purchased the Burkhart place on Main street. Mr. and Mrs. Burkhart left on Tuesday to spend the winter in California.

James Whipple returned to his work at Myrtle Creek on Monday, after spending a week with his wife and daughter here.

Mr. and Mrs. John Hair went to Grants Pass last Friday to stay all winter on their ranch near that city.

The Woodville Improvement club will meet on Wednesday, November 22. A special program has been prepared and every member is urged to be present.

Webb Hall and family left on Sunday for California points. Mr. Hall has rented his house to P. H. Robinson for a year and expects to look up a location in California.

Fishermen in this locality are having great luck in the last week, for every day large quantities of both large and small fish are brought in to town.

The Ladies' Aid met with Mrs. John Owens on Thursday. The ladies have decided to buy paint for the manse and make some necessary repairs.

The first number of the Lyceum course has been looked for November 15. While a good many season tickets have been sold, there is not nearly enough money on hand to meet the expenses, and we hope that all who can possibly do so will purchase tickets for the remaining numbers. These are high class entertainments and if this winter's course proves a success we will be able to get them for another time.

LIVE WIRE SALE.

A new idea in sales starts Saturday at the Mann store, when the big "Live Wire" sale opens. The store decorations, price cards and advertisements bear out the live wire idea and some shocking price reductions are made. "Get in touch with the live wires," says Mr. Mann, and he has made the offerings so tempting in price that it is certain a large number of people will do so.
