

### U. OF O. GLEE CLUB HERE ON FRIDAY

Much Interest in Forthcoming Appearance of Musical Organization From the University of Oregon—

Arthur M. Geary, a native son of Medford, now managing the affairs of the students of the state university at Eugene, is in Medford this week-end arranging with Walter McCullum for the concert which the Oregon lads are to give in Medford next Friday evening.

The University of Oregon glee club will start on its tour of the four principal towns of southern Oregon next Wednesday. Manager Geary expects a good crowd in the Medford theater next Friday evening.

All the students attending the university from Medford will be honored for the holidays and the alumni in Medford of whom there are a large number are boosting the concert. On account of the great number of college men located in and around Medford a performance by the students of the state university will be a special good drawing card. Every year in the concert given at Hood River where there are also a great number of college men the club have a capacity house.

They will have nothing to say that will either contradict or confirm the allegations of Orrie McNamara and men like him."

#### LABOR UNIONS CONDEMN ACTIONS OF McNAMARAS

SAN FRANCISCO, Cal., Dec. 9.—In a full set of resolutions denouncing the crimes of the McNamara brothers, the San Francisco labor council today demands a sweeping investigation of all rumors connecting the names of men high up in labor circles with the Los Angeles or other dynamitings. The resolutions were adopted after spirited debate.

Selig Schulberg, socialist member of the council, wanted the resolutions changed so that there would not be so much denunciation of "a petty murder" and to put the council more in the position of denouncing the "capitalist class" in general. He scored Clarence Darrow as a coward and wanted this also incorporated in the resolutions. His remarks drew forth the disapproval of almost the entire council. Andrew J. Gallagher, secretary of the council, replied with a bitter rebuke, in which he declared Darrow to be labor's greatest patriot.

### Save the Hair

Newbro's Herpicide Will Do It

No woman should have poor, thin, scraggy hair, and no man need become bald. Poor hair and final baldness are due to the dandruff germ. Newbro's Herpicide will destroy this little germ and stop the hair from falling. Further evidence of this is found in a letter from Mrs. F. Nelsen, of Tomah, Wis. She says: "I fought the worst kind of dandruff for nine years. I have been using Herpicide now one week, and my scalp is healthy, the dandruff has gone and the itching has stopped. It is the best remedy for scalp diseases I ever saw, and I have seen many." Don't subject yourself to disappointment and expense by accepting something claimed to be "just as good" as Newbro's Herpicide. These off brands may possibly be good, but why take chances? The genuine and original dandruff germ destroyer can always be obtained. If your own druggist has nothing but "just as good" articles, go to Medford Pharmacy who will furnish you with Newbro's Herpicide and guarantee one dollar size bottles. It stops itching of the scalp almost instantly. Send 10c in postage or silver for sample and booklet to The Herpicide Co., Dept. R., Detroit, Mich. Applications at good barber shops.
