THE DEPRECIATION OF A HOUSE.

A house begins to depreciate the moment it is completed and continues till complete destruction. Land always increases in value and continues to do so indefinitely. Houses are necessary for shelter even if they are not an economical investment.

Notice.

Notice is hereby given that O. M. Selsby will make application to the city council of the city of Medford, Oregon, at its regular meeting on December 19th, 1911, for a license to sell spirituous liquors and malt liquors in quantities less than a gallon at No. 17 So. Front st., for a period of six months. O. M. EELSBY. Dated Dec. 8th, 1911.

Notice.

Study the real estate conditions—as reflected in real estate advertising—before investing a dollar; then invest every dollar you can raise.
