This is an ideal gift store where the quality standard is never lowered, but where prices are always at low water mark
There is nothing that makes as acceptable a Christmas gift as some dainty piece of jewelry or some item of silverware that is always in use and which is a lasting reminder of the giver. Our store is rich in gift suggestions that are up to the quality standard that has made this store the reputation such as this: "If it's from Van De Car's it's good;" and our prices are as low as merchandise of quality is ever sold at.
Quality Engraving Executed Free by a Famous Expert
Nothing adds so much to the attractiveness of a gift as to have it handsomely engraved with the initial or monogram. Our engraver is a gentleman of wide and long experience and it is with great pleasure that we entrust to him the finest articles for his work. There is no charge to the customer for this service.
