FOUND

The place to buy the best and most useful Christmas presents in Medford—the M. F. & H. Co. store, opposite the postoffice.

LET US TELL YOU A SECRET

It is just as easy to buy something useful for Christmas and will cost no more money than to buy something of no practical use.

Look at some of these articles and see if they do not appeal to you as good presents to give, and at the same time something that will be appreciated by the receivers:

An open face stem winding watch guaranteed for one year, at \$1.00, for the boy. Many good men wear these watches.

Boys' wagons from \$1.25 to \$6.50. Tool Sets for boys—something practical and useful—will teach the boy the proper handling of tools, which is a good education.

Pocket knives all the way from 25c to \$3.00.

Roller Skates for the whole family.

A 22 rifle would be appreciated by the son of the family. \$3.00 up.

DON'T FORGET MOTHER

A new rocker makes one of the best presents for her. If she has a rocker, get her a writing desk or sewing table. Perhaps she would like a new rug or a piece of cut glass. We can furnish any of them and hundreds of other good presents for her. Call and look around.

REMEMBER DAD

Has Dad been buying all of the family presents for years past and receiving perhaps a card with "Christmas Greetings" on it in return? If so, do a little better this year and send him something useful. Maybe he would appreciate a shaving set or one of those new Durham Duplex Razors. If he prefers a Gillette or Auto Strop we have them also. There are lots of things Dad would like, but he hates to hint for them.

GENERAL FAMILY PRESENTS

A carpet sweeper, a set of silverware, cut glass, easy chairs, book cases, music cabinets, electric stand lamps, fancy china, cups and saucers, and articles too numerous to mention are carried in stock, and can be better appreciated by being seen, so spare an hour and look them over.
