

SOCIETY

Mrs. W. W. Glasgow entertained Friday night for her sons, Carl and Sam, at her home on South Oakdale. The affair was an elaborate six-course dinner. Covers were laid for 12. The decorations were in red, green and white—green and red predominating. The place-cards carried out the color scheme. Music and dancing were enjoyed after dinner.

The affair was quite the event of the week and all voted Mrs. Glasgow a royal entertainer.

The invited guests were: Misses Lorraine Bolton, Edna Tilton, Flora Welch, Bertha Brandenburg, Ione Flynn, Agnes Isaacs, Lurana Rowand and Mrs. Leland Beveridge; Messrs. Norman Merrill, Rutherford Kerr and Leland Beveridge.

About 20 members of the Fraternal Brotherhood visited Woodville Friday evening to help in instituting a Fraternal Brotherhood lodge at that place.

Among those who were in attendance from Medford were Mr. and Mrs. Martin McDonough, Mr. and Mrs. G. W. Howard, Mr. and Mrs. L. O. Howard, Mrs. McAlpine, Mrs. T.

W. Daily, Mrs. A. D. Johns, Mrs. Brown and Mrs. Roberts, Messrs. Garrett, Shirley and Burns.

The work was put on by State Manager M. G. O'Malley, assisted by Mrs. Hill, district deputy, and the Medford drill team.

be great if the protective principle is to be maintained, and that the report gives evidence upholding the republican contention that all duties should be estimated on the specific rather than the ad valorem basis.

The republicans in the senate are said to have decided that if the democratic house sends over a wool bill disregarding the tariff board report they will ignore it, and prepare practically a new bill. The republicans expect the support of the insurgents, but unless they have nearly every member of this faction with them the democrats will pass their own bill.

Ax-Grinding

A Science With Some Dealers—Done At the Expense of the Public

There is nothing "just as good" as Newbro's Herpicide. Some dealers will even go so far as to tell you they have something better.

That dealer has an axe to grind. You can't stop his grinding, but you can prevent him grinding it at your expense.

There is one sure, swift way to do it.

Go where you can get what you ask for.

You won't be obliged to do this very often, as fortunately the majority of druggists are honest and conscientious.

Newbro's Herpicide has been so long and favorably known as the original dandruff germ destroyer that no one should be deceived.

When you need a hair remedy, you don't want one which merely promises to kill the dandruff germ and prevent the hair from falling.

You want one that will do it. Herpicide does it.

The hair becomes soft and lustrous. There is life, snap and beauty where formerly the hair was dead, dull and brittle.

Newbro's Herpicide is sold and guaranteed by all druggists.

Applications of this wonderful prophylactic may be obtained at the best barber shops and hair dressing parlors.

Send ten cents in postage or silver to The Herpicide Co., Dept. R., Detroit, Mich., for a nice sample of Herpicide and a booklet telling all about the hair.

which means that President Taft, who has gone on record as unalterably opposed to any tariff measure which disregards the protective principle, probably will veto it.
