EAGLE POINT EAGLETS.

By A. C. Howlett.

Last Friday night the young folk of the neighborhood met and gave Sam Coy a surprise party on his 22d birthday. There were 20 or 25 present. They took light refreshments along and spent the first half of the night very pleasantly. Quite a number of other young people would have been glad to join them, but as it is about a mile and a half from town and they had no way to go but to walk, they thought that too much of an undertaking.

Mrs. William Perry of Butte Falls took supper with us last Friday night and spent the rest of the night with her mother-in-law, Mrs. F. M. Stewart. She was accompanied by her sister, Miss Rosa Ayres.

Born, December 16, to Mr. and Mrs. F. T. Newport, a daughter. At last accounts the mother and child were doing well.

Miss Eva Callahan, niece of Mr. and Mrs. W. W. Willets of Perast, arrived on the Thursday evening train, and Friday morning took the stage for Perast. She is engaged to teach school in the district just below Flourice Rock.

George West, one of the forest rangers, came out Saturday evening on the Prospect stage, remained over Sunday at the Sunnyside and Monday morning started for Medford, where he expected to remain a day or two before going north to Carlton to meet his wife, who has been there visiting relatives for the past month or six weeks.

Deputy Sheriff H. G. Shearer was a guest at the Sunnyside Sunday. He said that he was out on business, but was inquiring for parties unknown to me.

Arven and Irven Tyrrell were also guests with us Sunday. They were looking after some fruit trees they had ordered.

I omitted to state in my last that Mr. and Mrs. Fred Palouze and their son Robert went to Medford to attend the theater to witness a favorite play which they had seen in the east.

Two young men from Chicago were here last week looking for a business location. They decided to buy a lot on which to build and open a men's furnishing goods store, but left without buying, stating that they would return. They offered to advance cash on the lot, but J. F. Brown did not think it best to thus tie up the property.

M. L. Daily stated Monday, when asked if he wished to change the advertisement he had been running in the Eagle: "I have sold out about all that I had in the store in the notion line and have nothing left of

any note, but am going to Medford to get a new supply, and if I can get around soon enough I will put one in your next, for I find that it pays to advertise in a live paper." That is the reason there is no advertisement for him in this letter, but he says he will continue to advertise, for it pays.

Those particularly interested in building up the town next to the railroad track have had some beautiful pictures taken of some new houses in that section but have omitted to have any of the residence portion of town photographed. The pictures are designed to advertise Eagle Point in the New Year's number of The Mail Tribune.

B. H. Harnish and son, owners of the new livery and feed barn, also believe in advertising in the Medford Mail Tribune, for Sam Harnish this morning ordered his ad continued for another month.

Ford McClure, who has a farm southeast of Jacksonville, came out Monday evening to look after his property here.

Born, to Mr. and Mrs. Kelso, in Eagle Point, December 16, 1911, a son.
