Add to Your Personal Adornments

By the Use of Newbro's Herpicide.

A pretty woman may enhance her beauty and a plain woman become good looking by the proper care of her hair.

Nice hair, pretty hair, growing on the head it adorns, is one of nature's greatest beautifiers.

The kind of hair which always makes us look the second time, follows the use of Newbro's Herpicide, and is possible for every woman.

Regular applications of Herpicide kill the hair destroying dandruff germ, keep the hair from coming out and add to it that luxuriance, snap and luster which are essential to hair beauty.

Newbro's Herpicide is the original scalp prophylactic. All other hair remedies claiming to kill the dandruff germ are simply trying to trade upon the reputation of genuine Herpicide.

Applications may be obtained at good barber shops and hair-dressers. Send 10c in postage to The Herpicide Co., Dept. R., Detroit, Mich., for sample and booklet.
