NEW YORK HAS THREE WOMEN DEPUTY SHERIFFS—HERE THEY ARE

MRS. CHARLES H. TRUAX

MRS. JOHN S. CROSBY

MISS ADA PATTERSON

Three women well known in the social life of New York have been selected by Sheriff Harburger, of that city, to be his deputies. They are Mrs. Charles H. Truax, widow of a Supreme Court Justice; Mrs. John S. Crosby, resident of the Women's Democratic Club, of New York; and Miss Ada Patterson. The duties of what has been considered strictly a man's job have no terrors for the lady sheriffs, and in a few days they will raise their hands and have no badges of authority pinned on their dresses.

MRS. McMANIGAL SAID TO HAVE CONFESSED ALL

INDIANAPOLIS, Ind., Jan. 12.—Ortie McManigal's wife today is declared to have corroborated her husband's confession in regard to the McNamara dynamiting plot under examination by the federal grand jury here. She is asserted to have particularly confirmed his references to those who assisted him.

Having her testimony on conversations she had with her husband in Chicago, she told all she knew of the operations and spoke of men who visited her husband in Detroit in 1907 and arranged to have "open shops" blown up.

TEN MONTHS OLD CHILD, BADLY BRUISED, IS DEAD

PORTLAND, Ore., Jan. 12.—Following the discovery of terrible bruises on the body of Dorothea, the 10 months old child of Mr. and Mrs. Walter Linton, 743 Brooklyn street, the city officials this afternoon ordered that an inquest be held tomorrow. They plainly intimated that they believed the direct cause of the child's death was not a natural one, as the death certificates stated.

The parents told the detectives conflicting stories today in explaining how the child's wrist and leg happened to be broken and its body and head bruised.

WHAT SAVED HER LIFE

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night.

The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardui.

Now, I am entirely well. I am sure Cardui saved my life. I will never be without Cardui in my home. I recommend it to my friends.

For fifty years, Cardui has been relieving pain and distress caused by womanly trouble. It will surely help you. It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.

If you suffer from any symptoms of womanly trouble, take Cardui. Your druggist sells and recommends it. Get a bottle from him today.

WILL DELAY NOMINATION OF HOOK FOR A WEEK

WASHINGTON, D. C., Jan. 12.—That the nomination of Judge William Hook of Kansas to the supreme court of the United States will be delayed at least a week was indicated here today by Attorney General Wickersham.

Wickersham declared that a press of work would prevent his consideration of the protests against Hook for some days.

LABOR LEADERS ARE ONCE AGAIN PUT UNDER ARREST

LOS ANGELES, Cal., Jan. 12.—Anton Johansen, O. A. Tveitmo, E. A. Clancy and J. E. Munsey, labor leaders, were arrested here today under two blanket indictments returned in the last report of the federal grand jury.

The indictments contained practically the same charges as those cited in indictments returned a week previous. The men will plead January 29.

SAN MATEO, Cal.—Peter Albert Smith had a farewell dinner with his second wife, with but one disagreement. That was over the furniture. They had been just divorced. "I'll need furniture for my third wife," Smith said.

AVIATORS SWORN IN AS DEPUTY SHERIFFS

LOS ANGELES, Cal., Jan. 12.—Phil O. Parmelee and J. Clifford Turpin, aviators, today were sworn in as the first aerial deputy sheriffs in history. After taking the oath they left at once for Dominguez field, where a posse is trailing two bandits who engaged in a pitched battle with two officers near Burbank Wednesday.

Troops Leave for China. MANILA, Jan. 12.—With a battalion of the Fifteenth Infantry and other details, including 500 American troops in all, on board, the United States transport Logan left at 2:30 o'clock this afternoon en route for Chin Wang Tao in northern China.

After their arrival it was said that the troops would be employed in guarding a section of the Peking railroad from Lanshang to Chanchow against the possible attack of either imperialists or republican troops.

Wilkins Hanged. SAN QUENTIN, Cal., Jan. 12.—Mark A. Wilkins was hanged here today at 10:30 o'clock for the murder of his wife in Alameda in 1908. Wilkins was pronounced dead after hanging 13 1/2 minutes. He protested his innocence to the last.

LABOR LEADERS TO MOVE TO DISMISS INDICTMENTS

LOS ANGELES, Cal., Jan. 12.—Motions to quash the federal indictments against Olaf A. Tveitmo, Anton Johansen and John Munsey along with demurrers to the instruments, probably will be filed late today, according to counsel for the accused labor leaders. Shortly before noon the trio, with their legal advisers, appeared in the federal courtroom. No immediate action on the indictments, however, was expected.

Stocks Are Lower. NEW YORK, Jan. 12.—The stock market opened generally lower. Canadian Pacific dropped 1-4 and the

metal stocks were under considerable pressure. Lehigh Valley fluctuated wildly on the declaration of an extra dividend. After touching 182 this stock rebounded to 184 7/8 and then reacted to 1 3/4 under yesterday's closing. Traders who went short of Lehigh Valley in the belief that the news of the extra dividend had been discounted were badly squeezed. St. Paul was very weak, losing about 2 points. The tone became steadier at noon and some of the specialties rose buoyantly.

The market closed steady. Bonds were steady. Nothing is surer in this world than that a good servant can find a good place through want advertising.
