MUST SIGN LIST TO GET SEATS

"Chocolate Soldier," Which Will Be Here February 3, is Truly Operatic and a Splendid Production—Subscription List Should Be Signed.

The music of the "Chocolate Soldier," which comes to the Medford theater on Saturday, February 3, for one night only, is strictly operatic. There is one particular love waltz song that runs through the opera and is the motif. It is entitled "My Hero." Those who have heard it declare it is Strauss at his best.

The subscription lists are rapidly being signed by the music loving people of the valley, many orders are coming in from the surrounding towns and no doubt the guarantee which is necessary to be given will be met.

Those signing the lists will have an opportunity of selecting their seats upon January 30 and those who do not subscribe will not be allowed to select their seats until January 31. It therefore behooves those who have not signed the lists that are planning on seeing this production to sign at once. Sale will open at Haskins' at 10 a. m. on each day mentioned and the free list is absolutely suspended.

At least 30 different states of the Union are represented in the cast of this production and most of the choruses are recruited from the leading church choirs of the country. There is an ensemble of 80 people and the music is interpreted by the Whitney Opera Comique orchestra of 25 players.

The principals are Lillian Poll and Lella Hughes in the prima donna role of Nadina; Hon. Berger, the frolicking Mascha; Lucille Saunders as Aurelia; Chas. Purcell, rapidly assuming the proportions of a matinee idol in the impressionable role of feinty, as Lieut. Bumerli; Henry Coote, the bombastic Alexius; Sylvan Langlois, as Col. Popoff and Edmund Mulcahy as Capt. Massakroff.

This is verily a musical feast and those missing it will certainly regret it.

HIGH SCHOOL TEAM STRONG

Hold Medford Regulars to Almost Tie Score—Fresh Men Are Substituted and They Win the Game.

The high school basketball team started off the season last evening by holding the Medford Regulars, an older, heavier and more experienced team, to a score of 25 to 21. The Regulars won out in the last few minutes of play only because they substituted fresh men. For the high school the five played throughout.

Price of the high school scored 15 points and Grigsby of the Regulars scored 11 for his side. When it is taken into consideration that the school team has practiced but a week and that the Regulars have defeated two Etna Mills teams and are touted as among the best on the coast, it will be seen that other high schools will have to go some to carry any bacon away from Medford. The team will play Jacksonville next Friday night.

The line-up of the two teams: High. Regulars. Radcliff, F. Henderson, F. White, E. Hill, F. Price, C. Grigsby, C. Ware, G. Smith, G. Boswell, G. Kellan, G. Subs—Cochran and Burgess. Referee—Horton.

Never relaxed vigilance in "stocking" with only dependable goods, and under such buying conditions as warrant real price concessions—these things make a store worth while and its advertising interesting.
