### WASHINGTON SCHOOL PLAY NETTED \$79

The Washington school cleared \$79 on the "White Man's God" entertainment, given last Monday night. The total receipts were \$97.25.

This has been turned over to Superintendent U. S. Collins and any child needing books or shoes will be furnished the same if reports are made to him or any teacher.

The school wishes to thank Mrs. C. J. Eastman for her help as pianist. They realize that it is due to her that the play was such a decided success. To the Redmen, the Eagles, the Elks and the Merrivold shop, who so generously loaned material or assisted them, they also heartily offer thanks.

L. S. BEVERIDGE, Principal Roosevelt School.

### LOCAL BASKETBALL TEAM VICTORIOUS

The high school basketball team started its march for the championship Friday evening by trouncing Jacksonville by a score of 23 to 15. Radebiff was the star for the locals, making 17 points. The team played a strong game, but won because they were more accurate on the throws. Jacksonville showed surprising teamwork that, coupled with the accuracy displayed by Medford, would have made an invincible team. Wilson clearly outshone his team mates on the Jacksonville five. The high school used Radebiff, White, Price, Ware, Cochran, Boswell and Hall.

There were over 100 present. Refreshments were served during which Mayor Canon poured the coffee, John Perl was handy man with the ice cream and Ed Trusbridge poured cold water on everybody and everything. Excellent music was furnished by Messames Bodge and James.

The vein is said to be very promising. Cinnabar, native red sulphuret of mercury, possesses a steady market value, although purchases of the same have been held back somewhat to hold up the price.
