Medford, Ore., Nov. 7, 1911.—This is to certify that about November my daughter was taken with a severe attack of rheumatism which rendered her left arm useless, in fact it was so near paralyzed that she was not able to move her fingers, but knowing of some of Dr. Chow Young's marvelous cures of long standing cases of rheumatism, we decided to consult him, in which I am pleased to say made no mistake, as his remedies acted as he claimed they would and after the third treatment the rheumatic pain entirely left her and she has not had any symptoms of rheumatism since; besides her general health is much improved and I do not hesitate in saying I believe those afflicted with rheumatism or paralysis will do well to consult Dr. Chow Young, whose house is corner of Tenth and Front streets, Medford, Oregon. PREMIER CANALEJAS WILL RESIGN AGAIN

MADRID, Jan. 23.—Premier Canalejas, it was announced today, will again resign from the Spanish cabinet and, it is reported, Antonio Maura will assume the premier-ship. Canalejas resigned last week when King Alfonso commuted the death sentence of a rioter, but the king persuaded him to reconsider the resignation and remain in office.

SAYS ROOSEVELT WILL RUN FOR PRESIDENCY

NEW YORK, Jan. 23.—The first positive statement that Colonel Roosevelt will run again for the presidency was made today here by James Yurann, a well known politician of Blue Rapids, Kan., who visited Roosevelt in his office at the Outlook today. After he emerged Yurann detailed the conversation. In greeting the former president Yurann declared he said: "All Kansas wants you to run again, Colonel, and I call on you and came all the way from that state to congratulate you. I know that you can afford to seek the nomination." "I am not a candidate," Roosevelt replied, "and I am not seeking the nomination. I won't ask anyone for it."

"Well, colonel," Yurann says he responded, "you know that you told your friends in Kansas and the west that while you were not seeking the nomination, you were a patriot and would serve your country when needed."

"Most assuredly I will," is what Yurann says Roosevelt replied. "That means," said Yurann, "that Colonel Roosevelt is going to run again. He cannot refuse the demand that is growing for him in every section of the country."

The actual trial will begin tomorrow forenoon, when the prosecution will make its opening statement. It is expected that the trial will last a week or 10 days.
