

HARMON BURIED THIS AFTERNOON

Well Known Resident of the Valley Laid at Rest in Local Cemetery—Masonic Lodge in Charge of the Funeral.

The funeral of the late C. T. Harmon was held at the family residence on Capitol hill, in East Medford, at 2 o'clock this afternoon. Rev. W. F. Shields officiating. The services at the grave in Odd Fellows cemetery were concluded by members of the Masonic lodge of this city, of which order deceased was a member.

Mr. Harmon died at his home Friday, January 26, 1912, and was aged 64 years and 17 days.

Mr. Harmon for a number of years was prominently identified with the political and financial life of Minnesota and North Dakota, and was well and widely known in those two states.

Mr. Harmon was born in the state of Maine, January 9, 1848, and when 4 years old his parents moved to Minnesota, locating on a homestead that is now the center of Minneapolis. He was one of the first class of four to graduate from the first high school in Minneapolis. In 1885 he moved to North Dakota and helped organize the Bank of Bathgate, of which he was president for a number of years. He helped in instituting a Masonic lodge in Bathgate and was afterwards master of the lodge. Later he removed to Minneapolis, where he lived until he moved to Medford three years ago. Mr. Harmon was married in 1875 to Miss Wetherell of Philadelphia, who, with three children, are left to mourn his loss. The children are two daughters, Etta and Ann of Medford, and a son, Robert, who resides in Miles City, Mont.

Deceased had been a resident of Medford for about three years.

THE ROSARY HERE TOMORROW NIGHT

Oregon's Booth Makes Showing at Northwestern Show

Oregon's official state booth attracted much attention at the Northwestern Land Products show recently held in St. Paul. Of all the big shows in 1911 this was the most important, as northwestern products alone were shown, without fear or favor.

The official state booth of Oregon occupied an equal amount of space with the other state exhibits, which was subscribed for by the business

men of the Twin City and Duluth. Similar space was also furnished free to all the other states in the Northwest Development league.

The official state booth of Oregon was designed and put up by the Great Northern railway for the state of Oregon. It was handsomely decorated and the apples and other fruits from Hood River, Willamette valley, the Umpqua and Rogue River valleys

made a splendid showing. In addition to fruit growing, the chances for diversified farming, dairying, hog and cattle raising, which are of much interest to the mid-western and eastern farmer, were emphasized. The interest manifested in Oregon was such that the Great Northern officials are well satisfied that the state will benefit much from this comprehensive exhibit.

This Medford citizen testified long ago.

Told of quick relief—of lasting benefit.

The facts are now confirmed.

Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

T. J. Williams, 617 Oakdale ave., Medford, Ore., says: "In 1907 after Doan's Kidney Pills benefited me so greatly, I publicly recommended them. At this time I am again pleased to speak in their praise and give permission for the continued publication of my testimonial. I suffered for years from kidney and bladder trouble, the symptoms being slight at first, but becoming more pronounced as time passed. The pains in my back became so acute that I could hardly endure them, and as the result of restless nights, I arose in the morning all worn out. Often I was so lame and stiff that I could not stoop and headaches and dizzy spells were common. I tried so many remedies without being helped that I became discouraged, but when Doan's Kidney Pills were recommended to me, I decided to try them as a last resort. I procured a supply at Haskins' drug store and after using two boxes I could see that a great improvement had been made. I grew better from that time on and was soon free from kidney complaint. Doan's Kidney Pills cannot be praised too highly."

Good Teeth Mean Sound Health

It is not sufficiently understood that the condition of the teeth has a very large influence on the general health. Poor teeth means imperfect mastication—one of the principal causes of indigestion. Let us examine your teeth free of charge, and we will put them in proper condition if they need our service. All branches of dentistry practiced.

CONSIDERING EXTRA SESSION

than we ever knew before, but we still have much to learn and still have much to do before we undertake on a large scale the construction of a system of highways in this state.

We need—first, the passage of model good roads laws; second, a competent man at the head of the highway department; third, funds sufficient to carry on the work.

United Effort Needed.

These things will come only through united effort, and united effort will come only through a clear understanding of the whole question by the whole people of this state. This understanding will come only through the study by, and education of, the whole people.

Numerous bills are about to be initiated or presented to the legislature by the friends of good roads in different parts of the state; and,

Whereas, it is most important that the people of Oregon should give deep and thoughtful attention to the consideration, study and discussion of these measures.

Now, therefore, I, Oswald West, governor of the state of Oregon, by virtue of the power and authority in me vested, do hereby proclaim the week beginning the 4th day of February and ending the 10th day of February, as Good Roads week, and I do earnestly recommend to the people of this state that during this period the question of good roads legislation be given careful thought and study through public and private discussion and through the columns of the press, in order that knowledge pertaining thereto may be increased, public sentiment crystallized and effective legislation secured.

In testimony whereof, I have hereunto set my hand and caused the great seal of the state to be affixed, on this the 26th day of January, 1912.

OSWALD WEST,

Governor.

BEN W. OLCOTT,
Secretary of State.
