Medford, Ore., Nov. 7, 1911.—This is to certify that about November my daughter was taken with a severe attack of rheumatism which rendered her left arm useless. In fact it was so near paralyzed that she was not able to move her fingers, but knowing of some of Dr. Chow Young's marvelous cures of long standing cases of rheumatism, we decided to consult him, in which I am pleased to say made no mistake, as his remedies acted as he claimed they would and after the third treatment the rheumatic pain entirely left her and she has not had any symptoms of rheumatism since; besides her general health is much improved and I do not hesitate in saying I believe those afflicted with rheumatism or paralysis will do well to consult Dr. Chow Young, whose house is corner of Tenta and Front streets, Medford, Oregon. Chief Hittson Warns Automobile Drivers That Fair Weather Has in No Way Suspended Law Against Speeding.

This fine weather has brought out the automobile speeders and also a warning from Chief Hittson. The chief is particularly wrath at the manner in which some motorists speed by the school houses at closing time when the streets are full of children and says that he will make a state case of the first arrest. Here is the warning:

"For some time past automobilists have been getting more and more reckless in regard to the speed ordinance. It is our intention to arrest all violators and to push the cases under the state charge. I regard this as a fair warning and ask all automobilists to do the same."

MAN JUMPED LODGING BILL

So Alleges George A. Butz, Who Swears to Complaint—W. McCherry May Be Arrested for Failing to Pay.

George A. Butz, proprietor of the Holland hotel, swore out a complaint Thursday morning in Justice of the Peace Taylor's court charging W. McCherry, a guest at the Holland, with unlawfully removing his baggage from the hotel on January 30 with the purpose and intent of defrauding Mr. Butz and the hotel out of \$6, alleged to be due for room rent.

A warrant of arrest was at once issued from Judge Taylor's court and was placed in Constable Singler's hands for service, and that officer is now out hunting his man. McCherry registered as coming from Portland.

ROSEY WILL PAY DAMAGE CLAIMS

Owing to a new ruling on the Southern Pacific Lines Medford merchants will not have to await payment for shortage or damage of goods for six months or so, as A. S. Rosebaum, superintendent of the Medford division, has been instructed to view such claims and if worthy to pay the amount demanded.

Heretofore when goods arrived in a damaged condition the claim had to go through a lot of red tape, which included several offices. Under the present system Mr. Rosebaum will take the matter up in person and on determining the amount of money due he will pay the claimant the amount due.

38 PASS EXAMS OUT OF 98 TRYING

Of the 96 applicants for eighth grade examinations in the county this term 38 passed without condition, 26 were conditioned, and 32 failed outright. Those who were given conditions will be able to make them up and practically all may be figured as passed. The percentage of failures is almost exactly one in three, a slightly better showing than last year.

CLUB TO URGE SPECIAL SESSION

Good Roads Week Will Be Observed by Commercial Club—Government to Be Asked to Hurry Federal Building.

A special meeting of the Commercial club was held Wednesday evening, the meeting being held for the purpose of taking some action in regard to the matter of public highways, and how to secure immediate action of the legislature in giving to the people an enabling act so that the question of a bonded indebtedness may be legally submitted to the people of the county. It was stated by W. M. Colvig that, inasmuch as Governor West by a recent proclamation had set apart the week commencing February 3 for the consideration of good roads in the state of Oregon, and that he recommended therein that the commercial organizations of the state and all others interested should hold meetings and carry on a campaign of education in favor of the building of permanent and scientific highways in the state. That therefore, the people of Jackson county ought to anticipate the governor and take up the subject at once and urge the governor to call a special session of the legislature so that an enabling act might be speedily adopted, and the chair recommended that a committee of five members of the club be appointed whose duty it would be to draw up such report and resolution to be presented to the governor, as would fully set forth the necessity for immediate action, and recommending therein a special session of the legislature for that purpose. Messrs. Andrews, Putnam, Perry, Osenbruge and others discussed the question before the club. Upon motion by Ed Andrews it was moved that the chair appoint a committee of five for such purpose, and that the president of the club be chairman. The motion was unanimously adopted, and the following committee was appointed: William M. Colvig, chairman, Ed Andrews, W. N. Campbell, P. J. O'Gara and H. C. Garnett.

TO HURRY BUILDING

Also there was named in the call for the special meeting the subject of the federal building at Medford. Bert Anderson introduced a resolution on this subject, which is as follows:

"Whereas, The congress of the United States has heretofore considered it advisable to construct a federal building at the city of Medford in Jackson county, Oregon, and has made an appropriation of \$110,000 for such purpose, and

"Whereas, The site for said building has been generously donated to the government by the people of said city, leaving intact the entire appropriation to be used exclusively in the construction of the building, and

"Whereas, The city of Medford during the last decade was second among the cities of the United States in the increase of its population, now having about 11,000 inhabitants, and the postoffice facilities now used by the federal government in this city are totally inadequate to the amount of business that is centered therein, and

"Whereas, There is held annually in said city of Medford a term of the federal district court, and that there is no suitable hall or building owned by the government in said city, or that can be otherwise secured, for the holding of said court, therefore be it

"Resolved, That a committee of five be appointed by the president, of which he shall be chairman, for the purpose of drawing up a full report of such conditions in regard to the construction of said building as are hereinbefore suggested, and such other and further arguments as they may think necessary and proper. And when said report has been prepared, that it be duly signed and attested, and sent to the congressman from this district with an urgent petition for him to ascertain if more expedition might not be prosecuted by the department of the government having charge of said matters."

Said resolution was unanimously adopted and the committee of five required by the resolution was appointed by the chair, as follows: William M. Colvig, Ralph Woodford, Bert Anderson, M. A. Rader and S. S. Smith.

Another matter was brought to the attention of the club by the president, in order to ascertain the views of the members, and that was in relation to the subject of country life education, as proposed by the state superintendent of schools and other educational men of the state of Oregon. After some discussion it was moved by George Putnam that the entire subject together with all the documents and data relating thereto, and in the hands of the secretary of the club, be referred to Prof. U. S. Collins, city superintendent of schools.

There being no farther business of the call, the meeting adjourned.

NO CHANGE IN GAME WARDENS

Sam L. Sandry Is Complimented Highly by Game Warden for His Efficient Service During the Past Year.

At a meeting of the game wardens of southern Oregon held in this city Wednesday afternoon State Game Warden Finley announced that there would be no change at present in the district's wardens or the deputies of this locality. Sam L. Sandry, chief deputy, was complimented highly by Mr. Finley for his work during the past year. Mr. Sandry will retain the same position. L. Alva Lewis, who is the chief deputy in the Klamath district, has been transferred temporarily to work with Mr. Sandry and become acquainted with the wardens in this county in order that the deputies in the two districts will be able to cooperate in the work of preventing law violations in the future.

Mr. Finley impressed upon the deputies Wednesday the need of their gaining a better understanding of the game laws and urged them to learn how to file a complaint. They are also urged to learn their districts and determine in which sections the different species of game abound.

Hereafter receipts issued by a notary or justice of the peace when application is made before them for a hunting license will not be honored as a license in the field. The hunter must have his license or he will be placed under arrest.

Holds Up Hotel, Escapes.

SAN FRANCISCO, Cal., Feb. 1.—Despite the fact that he worked unmasked and in plain view of a number of guests the police today failed to even get a clue to the whereabouts or identity of the bandit who yesterday held up the Winchester hotel and secured \$900. Printed circulars bearing the man's description are being sent broadcast over the country.
