MEDFORD REGULARS DEFEAT ASHLAND

The Medford Regulars defeated Ashland last evening in a walk-away basketball game at the "Nat." Score, 60 to 9. This makes the fifth consecutive victory for the Medford team. The Medford high school team is soon to play a return game with Ashland high school and this game will be worth going miles to see, as Ashland has beaten Medford and the local boys are planning revenge.

SANTA MONICA, Cal.—Discouraged by his hen's apathy, J. D. Keene posted Santa Monica's city slogan, "Everybody boost," above each nest. Thirty eggs from 40 hens next day. Batting average .750.

BARGAIN DAY GREAT SUCCESS

With their second dollar bargain day the Medford merchants are again well satisfied with the amount of business done. Trade started off well this morning and the buying crowds swelled in volume, so that at noon it was conceded that the day would be a big one.

The merchants spared no pains in offering inducements that would attract the buyers from within and without the city and all trains brought visitors. The band was on hand to meet the crowds, marshed the streets and played at different stations during the day. The band has become indispensable to the dollar bargain days and much of the success is attributed to it.

BOXING BOUTS ARE ARRANGED

A stellar attraction will greet local boxing fans at the Natatorium Athletic club's next smoker, February 13, when Bobbie Evans, the crack lightweight champion of the northwest, hooks up with Young Dixon, one of the best boxers ever turned out of Kansas.

The men will box 10 rounds at the lightweight limit, 133 pounds, and straight Marquis of Queensbury rules will govern.

Manager Edwards stated that in the coming bout, Medford fans will witness an evenly matched bout between men who know the game and are able to set a fast clip during the entire 10 rounds.

MINING FILM AT STAR IS INTERESTING

In accord with his usual enterprise Manager Sather of the Star theater is showing a film depicting placer mining in South Africa, while the mining congress is in session here. A large number of delegates to the congress have viewed the film and pronounce it excellent. The ghosts are shown at work teaching down the huge banks of earth and later the process of separating the gold is shown in detail. The film is highly educational.

SAN RAFAEL, Cal.—Florence Philippi's parents would not believe she had eloped and been married to Martino C. Tomasino. So Florence eloped again and left a blazing trail to the clergyman's residence.

Croup Ends Life

Many Children Die of Croup Every Year Before a Doctor Can Be Summoned.

Parents of children should be prepared at all times for a spasm of croup.

Keep in the house a remedy that will give instant relief and keep the child from choking until the arrival of the physician.

Get a 50 cent bottle of HYOMEI today and in case of an attack of croup pour 20 drops into a kitchen bowl of boiling water. Hold the child's head over the bowl so that it can breathe the soothing, penetrating vapor that arises. In the meantime send for a physician.

This treatment has saved the lives of many children and is a precaution that all parents should promptly take.

HYOMEI is sold by Chas. Strang and druggists everywhere and is guaranteed for croup, catarrh, asthma and bronchitis.
