

UNION SERVICES WELL ATTENDED

Large Audience Quickened to More Earnest Christian Betterment by Eloquent Appeals of Rev. Parsons of Portland.

The special services at the Presbyterian church Sunday night were well attended and the audience was quickened to more earnest efforts for Christian betterment of mankind by the truthful and eloquent utterances of the speaker, Rev. Wm. Parsons, of Portland.

Four aspects of the gospel are variously emphasized by different schools of thought. The gospel as a way of escape, as an offered privilege, as a new commandment, and as a remedial law of life.

The third is the subject for this occasion. Jesus and his inspired apostles emphasized five duties, laid them upon men's consciences, commanded them for all. They were: To listen to God's word, to believe Jesus in what he taught, to repent of sin, confess their belief in and attachment to Jesus, and serve Him.

The second is that they superceded the ritualistic commandments of the Old Testament and have the same force and value in the present.

The fourth thing about them is that they bind upon the conscience of men the things which fulfill the conditions of eternal life and unite us to Jesus. Obeying them God bestows upon us the gift of eternal life and all its blessings.

The fifth fact is that God has ever treated them as of supreme importance, the incidents of Nadab and Abihu of Uzzah, and Uziah in the Old Testament, the teaching of Jesus about the cities of Galilee and the destruction of Jerusalem because of their rejection of the Messiah show his appreciation of them.

The sixth fact is that these are to be the law in the judgment. What have you done with Jesus will then be the all important question. All of these bear directly on your relations to him.

The subject for Monday night will be "When Jesus Said 'Must.'" The subject at the business college session Tuesday morning at 9 a. m. will be "The Service of Christ as a Recreation."

BENDER TRIAL SET TO BEGIN TUESDAY

LOS ANGELES, Cal., Feb. 5.—The trial of F. Ira Bender and A. B. Maple, charged with conspiring to dynamite the Hall of Records here, will begin February 13, according to announcement today. It was stated at the same time that Bert H. Conners will be tried again on a similar charge, the trial date to be set February 13.

A jury in the first trial of Conners was discharged late Saturday, standing ten to two for acquittal, after it had deliberated 27 hours.

Arrested for Wife Beating. J. H. Messler, of this city, was arrested Saturday charged with beating his wife. The complaint was sworn to in Justice of the Peace Taylor's court by his wife, Sadie Messler. Messler appeared in Judge Taylor's court Monday morning and was released from custody upon his furnishing bonds in the sum of \$500 to keep the peace.

BRIGHT OUTLOOK FOR BOX APPLES

Ben Davis Selling for \$2 to \$2.25 and Winesaps at \$3.25—Fruit Owners Not Anxious to Sell—Barrel Market in Bad Shape.

Sgobel & Day of New York issue the following market letter under date of January 30: There are about 200,000 boxes cold stored here in first hands, of which nearly 100,000 boxes are Watsonville Newtowns held by four houses representing owners in California, and about 100,000 boxes Oregon, Washington and Colorado with a few from Idaho, the great bulk of which are held by three houses and the asking prices today are about as follows:

Wenatchee—Winesaps, 3 1/2 and 4 1/2 tier, \$3.25; Arkansas Blacks, 3 1/2 and 4 1/2 tier, \$3.00; Rome eBauty, 3 1/2 and 4 1/2 tier, \$2.75.

Colorado—Winesaps, full size, \$2.75; Rome eBauty, full size, \$2.40; Gano and Ben Davis, best, \$2.25; Gano and Ben Davis, others, \$2.

The holders of Wenatchee fruit are not anxious to sell and one party has nearly 60 cars of them. The weather has been very cold for a few weeks, which has restricted consumption and only the poorest or small sized apples are being pushed off, holders having every confidence in a very good market in March and April.

The barrel apple market is in bad shape because the fruit is not standing up well, \$2.50 to \$3.50 per barrel about fair range unless they are something fine, and there is a heavy quantity of Greenings held. The stocks cold stored all around the country are heavy and we do not consider the outlook on barrel apples to be favorable.

The freeze in California which it is said ruined over half of their crops of Navel and the fact that Florida and Porto Rico are nearly at an end, is forcing our orange market up to high figures and this shortly will help the apple market.

PLEASANT SURPRISE PARTY GIVEN FOR FOUR BIRTHDAYS

One of the most pleasant social events of the week was a surprise party given at the home of Isaac Woolf, January 30, in compliment to Mr. Woolf and Ernest Walz, whose birthdays were that day. The guests remained until after 12 o'clock, also celebrating the birthdays of D. D. Duff and Mrs. A. W. Johnston. On account of sickness in the family Mrs. Walz and sisters, Amy and Lottie, were unable to attend.

The evening was spent in music, games and social converse, after which dainty refreshments were served. At a late hour the guests departed, thanking their host and hostess for a very pleasant evening and wishing the guests of honor many happy returns of the day.

Those present were: August Laurentz and wife, John Snider and wife, D. D. Duff and wife, Everett Finley, Harry Jones, John Sozier and wife, Mrs. W. G. Knips, Mrs. A. W. Johnston, Mrs. Wilcox, Miss Lane, Misses Sarah Johnston, Dora Lawrentz, Grace Gardner, Helene Bennett, Hattie Weiss, Ruby Wilcox, Tillie and Alta Knips; Messrs. Leslie Earhart, Harvey Kime, Edward Sewall, Lester Wilcox, Mathew Hoekner, Robert Wooden, Stanley Jones and Lester Lawrentz.

Northwestern Brewery Burns. CHICAGO, Feb. 5.—The Northwestern Malt company, one of the largest breweries in Chicago, burned today with a loss exceeding \$500,000. Six firemen were seriously injured in efforts to prevent the fire from spreading.

A FINE INVESTMENT.

Several years ago members of an old well established whole fruit business in Saint Louis purchased a tract of land in Oregon which they set to apples and pears of the kind that is in big demand in the east. The orchard is growing to such proportions that it requires their personal attention and it becomes necessary for one of them to locate at or near the place, forcing them to dispose of their wholesale fruit business, which is the best in Saint Louis, and it can be bought right. Their sales aggregate \$350,000 per year, and as fruits are sold on short time, it requires a comparatively small capital to conduct the business.

One of the present owners who has been in the business 20 years will remain with the purchasers six or nine months, and any capable employee wanted will remain indefinitely for reasonable salaries, to help make the business a success. Not wanting to advertise in the press the name of the business for sale, those who contemplate buying should write to A. C. Glenger, Ashland, Oregon, for full particulars.

FAST CURIST IS CONVICTED

Mrs. Linda B. Hazzard Guilty of Manslaughter Says Jury—Fate Heard by Flickering Light of a Match—Appeals for New Trial.

PORT ORCHARD, Wash., Feb. 5.—Mrs. Linda B. Hazzard, the fast-cure specialist, accused of starving to death Miss Claire Williamson, is in the custody of Sheriff Howe today, while her attorneys are arranging for her release under \$10,000 bail, pending an appeal to the supreme court from the verdict of manslaughter returned against her last night.

The jury deliberated for about 20 hours. The first ballot was five for first degree murder, four for second and three for manslaughter. At no time during the balloting was there a vote for acquittal. Manslaughter is punishable by a penitentiary sentence up to 20 years, a jail sentence up to one year, a fine up to \$1000, or by both fine and imprisonment.

The reading of the verdict was one of the most dramatic moments of the dramatic trial. The lights went out as the clerk began to read the verdict at 6:35 last night. A bailiff struck a match, and Mrs. Hazzard heard her fate in its flickering light. Later when Judge Yankey refused her attorney's request to place the bail at only \$5000, and she was taken to the sheriff's house, she broke down. She started to tell the newspapers that she was the victim of persecution and misrepresentation, when she was checked by her husband, former Lieutenant Sam Hazzard, U. S. N.

The trial began January 5. Claire Williamson died at Olalla, Mrs. Hazzard's sanitarium, on May 19, 1911. Mrs. Hazzard was arrested August 5, 1911.
