NORTH DAKOTANS HOLD CELEBRATION

Hundred and Thirty Members of Society Enjoy Banquet and Delightful Evening at St. Mark's Hall Tuesday.

The annual gathering of the Jackson County North Dakota society was held in St. Mark's hall on Tuesday evening of this week. There were about 130 members present and a delightful evening was enjoyed.

This North Dakota bunch is the happiest aggregation ever gotten together. They got in the habit years ago back in North Dakota of getting much out of little and now that so many of them have gathered together here where there is so great a source of supply to draw from for the needs and pleasures of life it is little wonder they were merry and are at all times the personification of good fellowship. The event of Tuesday night was an especially entertaining one because of the excellent program.

A part of the program were two solos by Mrs. D. McKillop of Central Point, a reading by Rex Lampan, and speeches by Rev. E. O. Eldridge, D. McKillop, J. E. Watt, W. Budge, John Honey, S. A. Nye, D. W. Luke and J. A. Rose. F. E. Merriek was toastmaster and he prefaced his introduction of each of the speakers with a few words of pleasantry, which, by the way, is that gentleman's stock in trade upon occasions of this nature.

Rev. Eldridge was the first speaker. He is one of the newest members of the society, but he is a live wire and he gave the gathering a talk which pleased. He eulogized North Dakota soil and its citizens, but he didn't say much that was flattering about its climate. After he had left the banquet he took occasion to remark that that bunch of men and women were surely hustlers and that he surmised they got the habit back in North Dakota, where it was a case of hustle or freeze.

The banquet was furnished by the ladies of St. Mark's church and was an excellent spread.

The officers elected were John Honey of Griffin creek, president; Al Hatfield, Central Point, vice president; Byron Watkins, Ashland, vice president; E. Borroughs of Grants Pass, vice president. John H. Carkin was re-elected secretary and treasurer for his third term.

ILLINOIS CLUB PLANS LINCOLN CELEBRATION

At a preliminary meeting in Dr. Rickett's office last evening arrangements for the Lincoln day celebration of the Illinois club were started. Committees on amusement, refreshments and arrangements were appointed and within a few days cards will be sent out to everyone who is known to have come from the Sucker state. It is probable that the meeting will be held in Moose hall on West Main street. A large crowd always attends the Illinois reunion and the midwinter sessions sees plans started for the annual midsummer picnic. All Illinois people are welcome at these celebrations and failure to receive a card shouldn't prevent anyone from going.

HEALTH CONDITIONS IMPROVED

(Continued from Page One.)

I have tried to see that none were neglected.

Aims for Coming Year. "This report will give you some idea of the efforts and accomplishments of the city health department for 1911."

"The city health department has for its aims in 1912:

"1. To allow no exceptions in reporting and quarantining of contagious diseases either by physicians or laymen. This means no severe epidemics.

"2. To have every surface vault or cess pool within the several districts abolished.

"3. To have every restaurant and hotel kitchen clean and sanitary.

"4. To provide for more frequent inspection of dairies and creameries.

"5. To secure better ventilation for some of Medford's public buildings and semi-public buildings.

"6. To provide adequate ordinances relating to sanitary condition of grocery stores, meat markets and bake shops.

"7. To arouse and keep a public spirit of co-operation of all forces tending to make Medford the cleanest and most sanitary city on the Pacific coast. In these endeavors the

department requests the hearty cooperation of the Greater Medford club, the churches, school authorities and similar organizations established for promoting public welfare."

LIVED ON RAW EGGS

Mr. Richard's Experience With Different Diets. Peaches and Buttermilk for Three Years.

Cecilton, Md.—Mr. George Richards, of this place, during the past 12 years, has probably tried more different diets than the average person would ever use in a lifetime.

What he has to say about his experiments, must therefore be highly interesting to anyone suffering from indigestion or stomach troubles of any kind. He says: "For more than 12 years, I suffered with stomach troubles, and paid hundreds of dollars for doctor bills and medicines. I was also operated on for piles.

I lived on dried peaches and buttermilk for nearly three years. The only thing that would not give me pain was raw eggs.

I was a physical wreck. I could not sleep, and was as near crazy as a man could well be.

I must say that after taking two 25-cent packages of Theodor's Black-Draught, it did me more good than all I ever spent for other medicines.

I have been working daily on the farm ever since, and I am as hard as iron." This purely vegetable remedy has been in successful use for more than 70 years. Try it. But be sure that it's "Theodor's."

Gas in Your Stomach

Not Always Dyspepsia —It's Nervousness

Your Nerves were strangled over (stomach trouble). A reference to nearly every case of indigestion and Gas Troubles, shows that the cause is not the food, but the nervous system. The cause of the trouble is a condition of the nervous system which is not properly understood. The cause of the trouble is a condition of the nervous system which is not properly understood. GOOD TEETH SAVE DOCTORS' BILLS

If your teeth are not naturally good, make them artificially good as soon as you can, because upon perfect teeth depends digestion, and upon good digestion depends the general health. It is a sure thing, that if you pay the dentist a little it will save you paying the doctor a lot. Our experience in dentistry in all its branches warrants us in asking for the favor of your patronage.
