WOODVILLE ITEMS.

John Hills of Evans creek was in Grants Pass between trains on Monday. Rev. and Mrs. Hearst have gone to Central Point to reside. Rev. Hearst will superintend the building of the new church there. A large delegation of mining men from Woodville attended the congress at Medford last week. The many friends of Mrs. Emma Rule are sorry to learn that she expects to leave soon to make her home in California. Mrs. Rule is one of the "old-timers" and will be greatly missed. It is rumored that Woodville is to have a new depot in the spring and we hope that it will be so, and we also hope that it will be on the north side of the track. There are several new buildings to go up in our town this spring, and now that we have electric lights and a fine water system nearing completion we expect to see many new homes built here. There are several business men planning to build bungalows as soon as the winter rains are over. Mrs. Roy McLean returned last week from a visit to friends in Portland. Mrs. M. Hutchinson is spending a few days visiting in Grants Pass. The new Hotel Waldorf is now open to the public and Woodville can boast of a good hotel. T. H. H. Taylor, the proprietor, informs us that as the building is not completed meals will be served in the old dining room. The Woodville Improvement club will meet next Friday at the home of Mrs. O. Gilmore. The topic will be gardening. The ladies have decided to keep the library and reading room open on Monday evening and Wednesday and Saturday afternoons. A Loyal Temperance Legion has been organized in Woodville. The young people are taking great interest in the line of study and work planned by their leader, Mrs. W. H. Gorham.
