

# PAID IN FULL THEATRE TONIGHT

Walters' Play of Modern Life, Acknowledged One of the Greatest Dramas of Modern Times, to Be Seen at Medford One Performance.

"Paid in Full," Eugene Walter's play of modern life, is acknowledged the greatest drama of recent times. Its human interest quality is uncommonly strong, and the author has displayed keen knowledge of mankind in drawing his characters. He has crowded his play with those things that are most entertaining on the stage. He has combined power and depth of humor. Grave situations are skillfully alternated with droll comedy. Nobody can fail to be impressed by "Paid in Full." Everybody finds it entertaining. There has never been a play which appeals so generally as this one, and for that very reason it is the most popular of any recent success. "Paid in Full" will be presented at the Medford theatre Monday, February 12. The cast the Wagenhals & Kemper company is sending here has won recognition in New York. Wherever "Paid in Full" has been, the heartier its welcome on its return, even when it has gone back as many as five and six times. The coming of this celebrated play to this theater with a brilliant New York cast is of greatest interest to all patrons of the local theater.

## AUTO HOSE CAR HERE AT LAST

Medford's New Chemical Engines Arrives and is a Beauty—Large Crowd Inspects and Enjoys Initial Trial Trip About the City.

Medford's new chemical and hose auto car arrived in Medford Monday morning and was given a tryout by the fire boys. The car is a beauty to look upon and if it proves to be as good as it looks there seems no good reason to hereafter doubt the efficiency of the Medford fire fighting equipment. Some of the equipment on the wagon consists of a 50 gallon chemical tank, two hand extinguishers, 16 feet of ladder, 1000 feet of 2 1/2-inch hose and 250 feet of one inch hose. The full weight of the motor car is 5000 pounds. All the latest accessories are on the machine. An automatic head lamp lighter is also attached. The car will be kept in the central engine house where formerly stood the team chemical engine. The old outfit will not, however, be sidetracked, but will be kept where it can easily be gotten at in cases of emergency or at times when more than one engine is required.

## CORT'S SON'S ATTEMPT TO ELOPE FRUSTRATED

NEW YORK, Feb. 12.—Particulars of the frustrated attempt of Harry Cort, son of John Cort, the theatrical magnate of the Pacific coast, who was to have wed pretty Mabel Towers, daughter of a millionaire land owner, were learned here this afternoon.

Miss Towers met young Cort in Los Angeles and Seattle three years ago and the young couple were close friends until the elder Cort exhibited the marbled heart and sent his son and heir east.

Last week the girl and her father arrived here en route to Germany. On Tuesday, when the Towers were aboard the Kronz Prinz, Frederick Wilhelm and all on the deck were waving good byes, John Cort, perspiring and anxious, dashed up in an automobile, held up the boat, found young Mr. Cort hidden aboard and dragged him, protesting, ashore.

The irate papa shouted to Towers, the father of the girl, as the steamer sailed, "They'll wait a few years before they wed."

Hagle, agent of the North Pacific Steamship company, also received a receipt for his \$500 head tax which is to be delivered when he leaves here. He will be sent from here to Seattle on the Great Northern and from Seattle he will be shipped to Vancouver by way of the Canadian Pacific Steamship company.

## Mrs. Godfrey Well Again

Vineland, N. J.—Mrs. Allen T. Godfrey, who has been in bad health for some time, has just written the following letter telling of her recovery:

"Every one who is in broken health ought to know that Vinol will build them up and make them strong. If restored my strength and vigor after I had been in a badly run down condition for several months, and I never fail to give Vinol a good word now."

This is one more proof that our delicious cod liver and iron remedy, Vinol, which is free from cod liver oil, is a remarkably strengthening and vitalizing medicine.

Men and women who are weak and in poor health, unable to sleep or eat well, and who have given up hope of ever being strong again should certainly take Vinol, without waiting another day, for it is exactly what they need.

There is no risk at all, for it is so sure to do good that we guarantee it absolutely and will refund the money if you are not satisfied. Medford Pharmacy, near P. O.

## RAILROADS PLAN TO FIGHT LEMON RATE

WASHINGTON, D. C., Feb. 12.—Fearing if they submit to the dollar lemon rate decision of the commerce court the Southern California fruit growers will demand a similar orange rate, western transcontinental railroads today are preparing to take their case to the United States supreme court if necessary.

Attorneys for the railroads today formally notified the commerce court that the railroads will ask a permanent injunction next month. If this is denied they served warning that the case would be taken to the supreme court.

## POWDER MAGAZINE FORT HANCOCK EXPLODES

NEW YORK, Feb. 12.—With a report that was heard for 10 miles, a powder magazine on the government proving ground at Fort Hancock, Sandy Hook, exploded early today. Flying sparks from the embers of a small fire set off the magazine. The 500 soldiers about the garrison escaped injury.

## MAN FIGHTS REVOLVER DUEL WITH HIS WIFE

SAN FRANCISCO, Cal., Feb. 12.—Standing a few paces from each other, Harry Bernstein and his wife Leah today engaged in a revolver duel as a climax to a pending divorce suit. Both miraculously escaped injury. They are under arrest. Bernstein, his wife says, began the duel by discharging a fusillade through a door when she refused to open it for him. Then, she admits, she secured her revolver and shot at him again and again.

PORTLAND, Ore.—Charged with drunkenness, Archie Lombard, restaurateur, swore he was a prohibitionist and had never tasted liquor in his life. He got drunk on vanilla, which is practically pure alcohol.

## ONLY DIAZ METHODS WILL QUELL REVOLT

WASHINGTON, Feb. 12.—Reports that President Madero of Mexico is contemplating a dictatorship of that country were unconfirmed by dispatches to the state department. Its officials admitted that the appointment by Madero of General Trevino as minister of war would be pleasing to the United States. Only Diaz methods, the officials declare, will stop the activities of the Mexican rebels against the Madero rule.
