VANITY FAIR COMPLETE IN THREE REELS, 3000 FEET

REEL NO. L. Amelia Sedley, accompanied by Miss Becky Sharpe, returns from boarding school. Becky is a natural born flict. Bashful Joseph Sedley falls desperately in love with her. He takes her to Vauxhail flardens, where he makes an ass of himself, is very much ashamed and refuses to keep his appointment with Becky the next day, sailing for Scotland to escape her wiles.

Amelia, with her gentle sweetness, bands Becky a letter from Sir Pitt Crawley, requesting her to repair to Queen Crawley's at once. The next morning, bright and early, she takes her departure to enter Sir Pitt's household as a governess, where she meets Rawdon Crawley, youngest son of Sir Pitt, who falls captive to her charms, bringing upon himself the displeasure of the whole Pitt family. He, notwithstanding, marries Becky,

REEL NO. 2. After their marriage, Becky Sharpe and Rawdon Crawley take up elegant todgings at Mayfair. Rawdon, who is captain in the English army, is resplendent in his uniform. They are visited by their military friends; Captain Dobbin is there with Amelia Osborne and her husband. Lilentenant Osborne, who is inclinated by Mrsg Crawley.

A week later they sail for Bruszels. At Brussels they attend a hall given by the Duchess of Richmond, at which Becky meets the Marquis of Steyne, and where they receive notice of the battle of Waterloo. All is excitement and the officers are soon on their way to the field of action, where Lieutenant Osborne is killed. A month after the battle, Becky Crawley turns to the ensuaring of Lord Steyne, who with crafty and vitlatnous intent, lays a slege to the overthrow of Captain Crawley in order that he may continue his alliance with his wife. Crawley gets heavily in debt at the gaming tables of Lord Steyne, is unable to pay, and the unscrupulous Steyne throws him into prison:

REEL NO. 3.

SI SI THERE IS

Colonel Rawdon Crawley writes a note to his wife to raise money to secure his release. She replies faisely that she is sick but will implore Lord Steyne to show Rawdon lenioncy, signing herself, Yours affectionately, Becky," Colonel Crawley, in despair, sends to his brother for assistance. Pitt hastens to his brother's succor. Rawdon immediately goes to his wife's apartments and finds her with Lord Steyne, whom he throttles, and leaves Becky forever.

Major William Dobbin marries Amelia Osborne. Amelia and Major Dobbin learn of Becky's downfall. They visit her in her misfortune and find her dissipated but unconquered. She refuses aid from Mr. and Mrs. Dobbin and is left by her friends to her own
