

GRAVE DIGGER EH! SAYS DIXON

"Well, well, this fellow Bobbie Evans who calls himself lightweight champion of the northwest surely has a good opinion of himself, I see where he claims that if he had been in good shape the last time we met, that I would now be digging graves in a cemetery eh! Why that tin-eared boob had better put a soft pedal to his lingo, I can lick his kind every day in the week and twice on Sundays and what I say will bear me out next Wednesday night, so he calls me a grave-digger eh, well that's pretty good."

The above statement is the latest of the fracas between Bobbie Evans and Young Dixon, who are busy paying complimentary remarks about the ability of the other and it all came about in this way—the two boys boxed a fast ten round draw here about a month ago and have been rematched for another bout next Wednesday night at the "Nat" Athletic club. Dixon has been doing his training in the afternoons, so he accepted a little engagement to appear at a local playhouse and spar three rounds every evening. The theater has billed him as the "lightweight champion," a title which Evans lays claim to and which Dixon is parading under, hence the row.

If the bad feeling which now exists between the two boys is carried into the ring with them next Wednesday night the spectators are liable to see something that is not on the card.

Manager Frankie Edwards has arranged several good preliminaries to precede the main event.

Seats on sale at Nash hotel.

MRS. AHRENS DEAD FROM BULLET WOUND

Mrs. M. M. Ahrens died at the Sacred Heart hospital Friday morning at 11:30 o'clock following an accidental shot which penetrated her left side Thursday.

The end came when a faint effort was being made to save her life through a transfusion of blood. But before new blood could lend her strength she had passed away.

Ed. Fossum, a young man of this city, volunteered to furnish the blood when Dr. Porter asked for such service. The transfusion was under way when Mrs. Ahrens died.

Funeral notice will be issued later.

TAYLOR TURNS MEN LOOSE

On motion of the district attorney the case against G. W. Leighton and W. H. Howard charged with obtaining money under false pretense was dismissed in the justice court Friday. The complaint was sworn to by a Mr. Leach, a second hand dealer. The two men were able to show that deeds given to lots in California were bona fide.

BANK BUILDING OPEN SATURDAY

The new home of the First National bank will be opened for business promptly at nine o'clock Saturday. At three o'clock the building will be

"Usin' Tiz, Gramma?"

"Yes, Harold, it makes Grandma's feet feel just like yours, free from tiredness, aches and corns!"

"Your papa and mamma, your grandpa and your grandma all use TIZ, Harold. And you'll use it, too, when you get to be a man. Then your feet will never hurt, or get tired. That's why we all use TIZ."

Most of us get old, feet first. The bunions get stale, more wearisome and painful. Corns get harder and more stubborn as the feet become more tender. At a time when old people need their feet most, they can use them less—unless they use TIZ.

If you have never used TIZ before, your first use of it will bring back some of your girlhood days. TIZ will make your feet feel young, strong and vigorous. They'll never be tender, never chafe or ache, never get blistered or swollen, and your corns, bunions and callouses will be no more. Nothing will do it or can do it like TIZ. Don't experiment with other things; other people have done that for you and they are all now using TIZ.

TIZ acts on a new principle—draws out all the poisonous exudations that make foot troubles. TIZ, 25 cents a box, sold everywhere, or sent direct, on receipt of price, by Walter Luther Dodge & Co., Chicago, Ill. Recommended by all drug stores, department and general stores.

thrown open for inspection and the public is cordially invited to attend the reception which will be held at that time.
