We Said Something

about M. F. & H. Co. Special 7-ply Spray Hose in our ad. last week.

WE SAID THAT THE PRICE IS 20 CENTS PER FOOT.

We also said that this hose is absolutely GUARANTEED.

For the past nine years the Nicholson Hurdware Co. has been selling this identical hose and in all that time NOT ONE CASE IS KNOWN where this brand of hose has given out in the field, thereby causing delay in spraying.

WE STAND UPON THAT RECORD

and defy any one to show a spray hose with a better record.

It may be a little early to talk about Garden Hose, but still there are people who want to look around first.

There are SOME kinds of hose that do not need nozzles, but we won't recommend those kinds. When you buy a garden hose you don't expect it to act like a sieve.

See that ELECTRIC GARDEN HOSE—You will soon see why it is fully guaranteed. It sells for 20 cents a foot, and is worth every cent of that price. IT WON'T LEAK, KINK OR BURST.
