

# ATTELL DOUBLE-CROSSED IN FAKE

End of Featherweight Champion as a Ring Attraction Signalized by Saturday's Fiasco—Offered Murphy \$4000 to Agree to Scheme Permitting Attell to Win in Fifth Round by a Foul.

SAN FRANCISCO, Cal., March 11.—The end of Abe Attell, former featherweight champion, as a ring attraction on the Pacific coast, is believed certain by fight fans here today as the result of an alleged attempt by the Hebrew to induce Harlem Tommy Murphy to "lay down" in their 20-round fight at Daly City Saturday afternoon. Attell, it is charged, offered Murphy \$4000 to agree to the scheme, which called for Murphy to foul Attell along about the fifth round. Neither Murphy nor his manager, Jim Buckley, it is said, gave Attell a decided answer, and Attell was made the victim of what is known in sporting circles as the "double-cross."

**Lie, Declares Attell.**  
With one eye entirely closed, his face and body battered and bruised, Attell lay in his bed at Millet's training quarters today, strenuously denying that he had gone to defeat after vainly trying to save his standing among the top notchers by engineering a crooked deal.  
"It's a dirty lie," declared Attell. "I defy either Murphy or Buckley to prove that I approached either with any such proposition. Somebody is going to suffer for this. It is some more dirty work on the part of my enemies."  
Despite Attell's protestations of innocence it is pointed out by fight

followers today that Attell stalled along up to the fifth round, taking a fearful lacing, evidently believing that Murphy had consented to carry out his part of the alleged frame-up.

**Got Double Cross.**  
The fans say that after this round Attell realized that the "double cross" had been given him and from this round on brought his wonderful cleverness into full play. But the beating in the earlier periods, the experts agree, weakened the ex-featherweight champion, and in the 19th and 20th rounds he was simply smothered by the New Yorker.  
Jim Buckley, Murphy's manager, admitted today that he had been approached on three occasions by Attell, to engineer a crooked deal.

SAN FRANCISCO, Cal., Mar. 11.—Abe Attell, former featherweight champion, went down to defeat before the greater weight of Harlem Tommy Murphy today at Coffroth's Colma arena. The fight was one of the fastest and bloodiest ever seen between good fighters here. Using his extra eleven pounds weight to advantage all the time, Murphy fouled Attell down, and the twentieth found Abe desperately tired, covered with blood to the waist line, pounding away at Murphy's stomach while the latter tried to put sufficient steam in his blows to Abe's jaw to put him out.

AGGRESSIVE PROGRESSIVE

## We Want a Girl

Just like the pearl, that married our old Dad. We are looking for, and soliciting the MOTHERS of today, calling their attention to the needs of their children, to the FACT that NOW is the time to have that backward child carefully looked after in order to save the health and beauty in older life. A stitch in time saves nine. A little work now may mean so much to the future of this child. A headache in many instances is only the forerunner of a more serious disease that is just beginning. On the other hand it may mean only eye strain, in which event a pair of glasses prescribed and worn according to our directions may avoid all further trouble, then again it may not be glasses at all that the child needs, for there are so many other conditions of the head that cause headaches and which when corrected produce the good results. Hardly a day goes by that we do not see some child or some grown person for that matter who has worn glasses when as a matter of FACT they were not needed at all, as perhaps their trouble has been entirely nasal trouble and when the same has been corrected their trouble is at an end. Why experiment? Why not get the best of services, the most careful of examinations, and last but not least an HONEST opinion? We have no glasses to sell. We make our livelihood by being honest to the public and giving value received. No charge for consultation.

# LAWRENCE STRIKE TO END SOON

LAWRENCE, Mass., March 11.—Both the striking textile workers and the mill owners expect the big strike to end Wednesday. A substitute committee of the strikers left for Boston today to complete final arrangements today with Secretary Wood of the American Wool company and other officials.  
President Wood alleges that his latest offer increases the wages of the lowest paid workers twelve per cent, giving the other workers an average increase of seven per cent. The strikers say that a settlement probably will be effected on this basis.  
The police and strikers clashed early today in the mill district. Picketing was resumed around the Arlington mills, nine men and women being arrested.

# ROOSEVELT TO TAKE STUMP FOR HIMSELF

OYSTER BAY, Mar. 11.—Colonel Roosevelt has about made up his mind to take the stump personally to make the fight for the presidential nomination. He said today he probably would be forced to, although he was reluctant to decide upon such a course. Since the day he made his announcement of candidacy he has been urged by supporters in almost every state except in the south to make a speechmaking campaign.

SAN FRANCISCO, March 11.—"I was shot out of the house through a window one cold night in my lifetime, and I've been sick ever since," said Mrs. Tillie Merwin, spring for divorce.

### AT THE ISIS.

# MISS FIX-IT HERE THURSDAY

"Little Miss Fix-It" is the suggestive title of a comical musical gaiety that was selected by Werba and Leuscher as most happily suited to the fascinating English 'comedienne Alice Lloyd for her introduction as a star. For the past three seasons her songs alone have made her famous. During the action of the play Miss Lloyd will sing such favorites as: "Master Cupid," "Ship Ahoy," "Have You Ever Loved Any Other Little Girl," "The Hobble Promenade," "Excuse Me, Mr. Moon," "I'll Build an Eden for You" and others which are considered the popular songs of the light music world. In support of Miss Lloyd are such well known artists as Lionel Walsh, the noted English comedian, Grace Field, late of the Lew Fields company, James C. Lane, Frederic Santley, Annie Buckley, Nellie Malcolm, Frank Shannon, Grace Brown and many others. The chorus has not only been selected for their beauty but for their ability as melody producers as well. Medford theatre, Thursday, March 14th. Seats sale at Haskins.

## Puny Little Boy

"Now Picture of Health," His Father Says.  
The pale, wistful faces and thin spindling limbs of "delicate children" tell plainly enough the story of poorly nourished bodies.  
We know just what ought to be done for such children. Here is a letter from Richard Rush, Columbus, Ind., saying, "I believe I am indebted to Vinol for the health of my little son. He had a severe attack of whooping cough and measles which affected his lungs and constitution. We tried several other remedies without any result, then commenced using Vinol and I take pleasure in saying that he is the picture of health now, due to the use of Vinol."  
Sickly children need the strengthening cod liver elements and the tonic iron that Vinol contains—that is why Vinol builds them up quickly and gives them a fine healthy color. It is pleasant to take and we guarantee that the results will satisfy you—money back if they do not. Medford Pharmacy, near P. O.
