BALSAMIN'S GASTRO-TABLETS are prepared scientifically and especially for Stomach Gas and particularly for all the bad effects resulting from Gas Pressure.

That empty, gassy and growing feeling at the pit of your stomach will forever disappear in a few days. That aching and nervous feeling, with heart palpitation, will vanish and you will once more be able to take a deep breath, no more prevented by gas pressing against your heart and lungs.

Your limbs, arms and legs won't feel cold and go to sleep, because BALSAMIN'S GASTRO-TABLETS prevent gas interfering with the circulation. That intense drowsiness and sleepiness after dinner will now be replaced by a desire for more food of satisfaction.

Your distended stomach will reduce by inches, because gas simply cannot form after a few days' use of BALSAMIN'S GASTRO-TABLETS.

Madame Schumann-Heink's Nose

**IS RESPONSIBLE FOR HER POWER TO PRODUCE
THE WONDERFUL TONES THAT MAKE
HER FAMOUS**

There are other minor factors that contribute to her success, as proper training, the artistic temperament, etc. But without free, unobstructed nasal passages whereby the hollow bones of the head (nature's sounding board) are properly drained and nourished, the wonderful power, range and quality of her tones would be impossible. While not every one can or would be a "Schumann-Heink" the loss of the power to sing, if caused by obstructed nasal breathing, whether due to adenoids, enlarged tonsils or turbinates, will inflict more serious penalties than the loss of the singing voice.

The best time to investigate and correct such a condition is NOW.

A man standing on the corner by the "Public Library" KNOCKING loud and long about the "Food Trust," Hard Times, Short Hours and big pay, soft jobs in the west and then taking a parting shot at Taft, Roosevelt, Bryan, Morgan, Rockefeller and a few more of our friends, turned to me with the remark that just a year or so ago he could have bought all that corner where the Medford Hotel was now located for Twelve Hundred Dollars, BUT HE DIDN'T. Maybe in two or three months from now this same party will inform you that he could have bought that NEW, LARGE, CLASSY BUNGALOW cottage on Rose avenue for \$3250, but he DIDN'T. I overheard a lady tell her husband that she would take this house at \$3500 but it looked to her like as if I was giving TOO MUCH for the money in disposing of this Handsome Home for \$3500, and she also said that it was her private opinion that half of the stuff that made up the construction was not PAID FOR, because the price was too extremely low. Queer people in this locality. Now I suppose she will walk on the other side of the street when she hears of the price, \$3250. Now to ease this lady's mind, she might call at the office of the Trail Lumber Co. and see the receipts for \$1050 for the lumber and mill work, Garnett-Corey Co. \$300 for the plumbing, and \$125 for the hardware, Flynn Bros. \$245 wiring and electrical fixtures and \$282 for the stone and brick work put in by Mr. Tom A. Davis, R. A. Stevens \$305 for painting and decorating and \$560 to F. P. Hicks for carpenter work—and if she will give our leading attorney, Mr. Gus Newbury, a "Five" spot he will show her where the title is absolutely clear and O. K. For a few days, \$3250.
