Carnegie obtained a photograph of the young lady from her father, and though he had never laid eyes on the original, he wrote on the back of the picture: "Bonnie Virginia Lee, a prize for some lucky man—Andrew Carnegie," and sent it to a Pittsburgh newspaper, saying that he had found the prettiest girl in the world.

TEARS SHED FOR BONAPARTE'S CHILD

BRUSSELS, March 21.—Bonapartists throughout France are in tears today as the result of the birth of a girl to Princess Clementine, wife of Prince Victor Napoleon, here. Bonapartist activity has been running with a high hand of late in the expectation of a prince, and had a son been born Prince Victor would have had at his command an enormous campaign fund with which to further his pretensions to the throne. This fund would have included Princess Clementine's \$50,000,000 fortune, a \$23,000,000 bequest from the Empress Eugenie and \$1,000,000 from Prince Louis Napoleon. The arrival of the baby girl has struck a blow at Bonapartist hopes.

MURDERER FRIGHTENS HOUNDS WITH GUN

TACOMA, March 22.—A posse of fifteen men are today trying to recover the bodies of the three slain deputies and no effort will be made to capture Turnova, the alleged murderer until the remains are brought in. This will take three or four days, according to long distance telephone interviews.

Yesterday afternoon Turnova was closely pressed by the bloodhounds and fired at them. They turned tail and fled. The location of the bodies shows that after the men were shot from ambush, the murderer dragged the bodies about thirty feet and buried them. He was within half a mile of the scene of the crime last night but could not be located. The wilderness of the country makes his immediate capture or a battle with the posses improbable for several days.

So Tired of Tired Feet! Use TIZ

Gets the "Tired" Out in a Few Minutes. Makes Your Feet Sore Proof.

"O fudge! It's awful how tired feet make you feel tired all over—so dead tired. Then, when you've got a corn besider, and a bunion, and a few blisters, and your feet are terribly swollen, you don't care if you've got

a million dollars—you're tired, that's all. A million dollars can't help you, any more than 25 cents will."

A quarter buys a box of TIZ—a wonder for tired, sore, tender, chafed, blistered, swollen, sweaty, smelly feet, corns, callouses and bunions, chilblains and frostbite. The moment you use it, you give a sigh of relief, and then you smile. There's nothing as good as TIZ, so don't accept any attempted imitation. TIZ draws out all the poisonous exudations that make foot troubles. TIZ, 25 cents a box, sold everywhere, or sent direct, on receipt of price, by Walter Luther Dodge & Co., Chicago, Ill. Recommended by all drug stores, department and general stores.
