

TO BUILD PUBLIC MARKET SOON

The most important business transacted Tuesday evening by the city council was the passage of a resolution instructing the recorder to advertise for bids for the construction of a public market building on Riverside, plans and specifications for which have been completed.

When this building is completed a public market will be placed in operation.

Routine business was transacted as follows:

A resolution was passed declaring the intention of the council to pave the alley in the rear of the Medford hotel.

Resolution declaring the intention of the council to lay a six-inch lateral sewer on Court street from Central avenue north passed.

Resolution declaring the intention of the council to lay an eight-inch lateral sewer on Bartlett street from East Jackson to Maple street passed.

A petition to improve South Riverside by pavement, upon a remonstrance of the majority of property owners, was denied.

A resolution declaring the intention of the council to lay a six-inch lateral sewer on Court street from Central avenue north passed.

A resolution declaring the intention to grade Apple street from Fifth street to Third street passed.

APPEGATE NEW MAYOR GOLD HILL

At the recent city election at Gold Hill the Voters league was successful in electing all of their candidates with the exception of two, upon a strictly progressive ticket. The newly elected officers of the little town are: L. C. Applegate, mayor; J. B. Hammersley, recorder; W. H. Harvey, treasurer; L. R. Cardwell, W. R. Walker, F. C. Willmarth, John Farmer, A. C. Landis and J. F. Dietrich, councilmen.

Women for Good Roads
CHICAGO, April 3.—Nearly one thousand delegates, representing women's clubs and other organizations throughout Illinois, were on hand today at the opening of what is believed to be the first convention of women ever held in America for the sole purpose of promoting the good roads movement. Mrs. Jane Addams, the noted settlement worker, presided over the initial session, which was held this afternoon at the auditorium hotel. The convention will continue over tomorrow.

BURIED 'NEATH BANK OF EARTH

Ole Erickson, a laborer employed by the Jacobsen-Bade company on the dam they are building for the city of Jacksonville was fatally injured Tuesday when a bank caved in and caught him. He was buried beneath a huge avalanche of earth. At first it was not believed that he had been seriously injured but later he succumbed to internal injuries.

TO BUILD NEW SEPTIC TANK

The city dads are considering building a new septic tank to replace the present one on Bear creek in which to dispose of the city's sewerage. The old tank was built for or five years ago and is said to be too small for practical purposes. The new tank will be much larger than the old one. It will be of concrete. The city engineer is now engaged in preparing plans for it.

COMMERCIAL CLUB MEET POSTPONED

The regular meeting of the Commercial club, which has been postponed from Wednesday night until Thursday night, will have some very important matters to bring to the attention of the club, among which is the sanctioning of a proposed law that is now in congress that would set aside 1,000,000 acres of public land in all the western states to be sold by the state in a manner similar to the selling of school land and the proceeds used in the construction of scientific highways.

The proposed law has been introduced by a representative from Colorado, and is receiving the support of many commercial organizations. At the present time it seems that the bill will pass if the western states will assist in the move.

FROM 2 TO 20 YEARS FOR STEALING \$19,000

PORTLAND, Ore., April 3.—Temple Alexander, the young clerk of the Oregon-Washington railroad and navigation company who pleaded guilty to forging company vouchers to the amount of \$19,000, was sentenced today by Judge Morrow to from two to twenty years in the state penitentiary.

REVISE RATES FOR WATER USE

The city council has under consideration an ordinance providing a new schedule of rates for the use of water in the city. Action was deferred Tuesday evening until the next regular meeting in order to more thoroughly discuss its provisions.

The new ordinance does not contemplate any increase in rates but has been drafted to place the water department on a more stable basis in regard to the public. Where the rate is gauged on large yard areas the rate will be based on the square footage and not the front footage as at present.

GRANTS PASS WILL BUILD NEW HALL

The Grants Pass city council has adopted plans and specifications for a \$12,000 city hall which is to be erected at Fourth and H street in that city. The building will be of classic design and modern in every respect. It will be erected at once.

WAY CLEARED FOR TRADING LEADERS

SAN FRANCISCO, Cal., April 3.—With the conceding by the attorneys of the accused of all the grounds upon which they have been resisting extradition of Olaf Tveitmo and Eugene A. Clancy, the two labor leaders charged on federal indictments with conspiracy in the transportation of dynamite, the last obstacle in the way of the men's extradition to Indianapolis for trial was removed today when the case came up for hearing. The extradition contest ended in a stipulation filed by the attorneys for the government and for the defense, which elects that the Los Angeles indictments against Tveitmo and Clancy shall be eliminated, and trial held in the Indianapolis indictments.

Tveitmo and Clancy will appear in the United States district court in Indianapolis for trial on October 7 next.

FOUR NEW SENATORS SWORN IN AT CAPITAL

WASHINGTON, D. C., April 3.—The four new United States senators chosen recently to represent New Mexico and Arizona were sworn in today.

BORN.
At Portland, Oregon, April 3, a daughter to Mr. and Mrs. Robert W. Ruhl of Medford.

Inland Empire Teachers
SPOKANE, Wash., April 3.—Spokane today welcomed a small army of educators, who gathered from all parts of Washington, Oregon, Montana and Idaho to take part in the fourteenth annual meeting of the In-

land Empire Teachers' association. Today was given over to the reception of the visitors and several preliminary conferences. The general sessions of the convention will begin tomorrow morning and continue until Saturday.

Clay Pigeon Shoot of America
NEW YORK, April 3.—Some of the most noted amateur trap-shooters of the country were on hand today for the seventh annual amateur championship of America at clay pigeons. The tournament is being held on the

grounds of the New York Athletic club at Travers Island. Today was given over to the preliminary events on the program. The championship will take place tomorrow. There will be ten prizes awarded, the first being a diamond medal.
